Sir,

Referring to your letter of the 19th instant, file No. 23115, I am directed to say, that Mr. S. L. Talbot, of Wetaskiwin, was notified to pre-empt the N. E. ¼ of 1, 7, 21, West 4th and entered and consequently unavailable at the time he made application last month, it is considered Mr. Arthur Lesson, who made application to purchase the same quarter section, should still have the first privilege of making pre-emption for the quarter section, if he applies in time existing entry being cancelled. As mentioned, Mr. Talbot was notified [illegible] to cancel the entry of C. Hockstedder, the present applicant, Mr. Earle, should have the first right. Copy sent to the Agent of Dominion Lands at Kamloops, New Westminster, ~~Battleford~~ Battleford, Red Deer, Calgary, Lethbridge, Prince Albert, Regina, Alameda, Yorkton, Dauphin, Brandon, Minnedosa, and Winnipeg.

Sir,

Referring to your letter of the 2nd inst. (File No. 20153), I am directed by the Commissioner to say that it seems clear Mr. Jas. A. Carruthers is entitled to the first privilege of acquiring, by entry for the S. E. ¼ of Sec. 47, 24, West 4th, provided, of course, he is otherwise eligible, but it is unfortunate that Mr. Talbot was not fully informed as to the position of the matter when you received the copy of the Assistant Secretary's letter referred to in yours of the 27th of December last. Please inform Mr. Arthur Lawson of the decision arrived at and say that he will be granted the next right of entry if also Mr. Carruthers does not take advantage of the privilege.

In this connection I would point out that you do not appear to be complying with the instructions contained in the circular letter addressed to all Agents of Dominion Lands from the Commissioner's Office in Winnipeg, on the 21st of December, 1899, copy of which is attached hereto. Had you done so the application of Mr. Carruthers would have been recorded in the Department and the disappointment of Mr. Lawson would not have occurred. You will be good enough in the future to see that the instructions contained in the circular mentioned are complied with, and as those instructions appear to be neglected in some of the other districts a copy of this letter will be sent to each of the Local Agents of that district that their attention may be directed to the matter.

COMMISSIONER

Sir-,

Enclosed I was from Mr. Coleman's report on the W.½ of 34- 46- 26- W.4.M. for which J.P. Martin obtained homestead entry on the 30th. January last, also declaration of Mrick Thomson and a copy of the letter sent to him on the 5th. inst.

As it is likely there will be some further trouble over this affair I must ask the Commissioner for instructions how to deal with it.

My own opinion is that the Inspector's valuation of $[illegible].00 should be adhered to and this amount collected from Martin; and that Mr. Thomson and his friends have not shown sufficient grounds upon which the existing entry may be cancelled.

MAY 11 1900

Correspondent came to Alberta during the summer of 1899 and took up a Homestead N. W ¼, Sec 34, Tp 46, Rge 23 and made a good deal of improvements, but had to go to B. C. to earn some money and there found difficulties to earn the necessary amt. He asked a delay to patent his land in the meantime, so that no one would steal same, but was refused. He says this spring, another party has taken the land. Correspondent asks now if he has forfeited. Is about to be married.

Sir,

I am directed to acknowledge the receipt of your letter of the 17th ultimo, No.11605, Ref.631, giving a list of the lands which Mr. J. C. Wells desires to purchase in connection with his homestead. In reply I am to say that the lands in question are clear in the records of this Department with the exception of the North half of Section 31, Township 24, Range 4, West of the 4th Meridian. It appears from personal examination made by the Dominion Land Agent, Mr. Forrester Billiss that Mr. Wells has resided upon the quarter section. Please inform Mr. Wells that he will have to continue his residence upon the land in question. If he will do so he can obtain the patent for the whole of the lands which Mr. Wells desires to purchase.

LETTER No. 11.566

REFERENCE No 8318

Sir:-

With further reference to yours of the 2nd instant File 137.543, respecting the application of Mr. W.C. Wells for the following lands All Sec. 24, the S.W.¼ of 30, the W.½ of 36 in Tp. 26 Rg. 6, the S.½ of 24-26-5 and the S.½ of 2-27-6 all west of the 5th Meridian. I would recommend the sale of the following parcels if the same can be carried into effect. The area of his leasehold equals [illegible] acres, according to list furnished me some years ago; but according to a schedule sent me recently it would appear that the area is only about 20.000 acres. At all events whatever area he has paid rental upon can readily be ascertained and [illegible] of that may be sold him.

If the S.½ of 2-27-6 is vacant, I see no reason why it should not be sold him and I think no one occupies it except Mr. Wells.

Regarding 36-26-6. He should, I think, be required to take the whole of it and not limit his purchase to the N.½ and S.E.¼. Taken as a whole the section will average above that of the entire leasehold and, I think, it will be found that there is nothing to prevent the S.W.¼ being sold.

As to 24-26-6. I would recommend the sale of all that portion lying East of Ghost River, which would probably equal

equal about 600 acres. The stream is not traversed across this ~~quarter~~ section and the river being located by the south and west lines of the section as surveyed the area might fair-ly be assumed to agree with the township map. If,however, Mr.Wells will not accept that area,he might have the river traversed at his own expense by a Dominion Lands Surveyor approved or nominated by the Surveyor General.

It will be observed that the township map shows certain improvements,some 1½ acs.of breaking done by one Gilles on the N.E.¼. The improvements are very meager and give no claim and probably it will be found that he has abandoned all claim to the same. However,the sale of that might be made conditional to further inves[illegible] on. If,however,Mr.Wells will make affidavit [illegible] to the effect that there is no settler or anyone residing on the ¼ section,would recommend the same be made. The fact of it being within his leasehold gives no legal title thereto to any one else.

As to S.½.of [illegible]-5. This was claimed at time of surve as a pre-emption in connection with the homestead claims to the N.½. of the section and further,it is too far removed from the bulk of the lands desired,so I could not recommend the same.

The S.½.of 2-27-5,all of 25 and the portion of 24 suggested of Tp.28 - 5 will equal about 1560 acres and what may be further required to bring the area up to the 10[illegible] might be made up out of Sec.30-28-5.w.5th. It is probable the S.½.is

is vacant. Mr.D.McDougall, who also had the right to acquire the said N.½.of 30, informed me at one time that he thought of exchanging it for the same area elsewhere. If he is still of the same opinion, would suggest if he makes the exchange, that the balance Mr.Wells desires and to which he may be entitled, might, if he wishes, be granted out of the said N.½.of 30.

If thought desirable, I would ascertain from Mr.McDougall if he still desires to make the exchange mentioned.

Sir;-

An application has been received from W.W.C. Wells of Pallisar for the purchase of certain lands in Sp. 30 Rge.5 W 5 and in Sp. 29 Rge.5 west 5th Meridian. It would appear that the lands in question are clear in the records of the Department with the exception of the N.E. of 24 - 26 - 6 west 5th Meridian, which, according to a declaration made by one Alexander Gillies ~~was settled on~~ Land Agent Locating Placard Homes by him in 1887. A perusal of the declaration further reveals the fact, that Gillies has very slight improvements thereon. He has failed to put in his actual residence on this land: it would in this case be desired to enter to him up the homestead of Mr. Wells, now I have to say that if that is the case Mr. Wells has a personal right to the land in question, as from conversation with residents of the settlement and others, you will learn all the information required in this case. He has yet to be proved, that, if any, actual residence on the land has been done by said Gillies, when the land was entered. Where is he now and what is the present value of his improvements thereon.

I herewith beg to attach copy of two letters dated the 6th instant which I have received from Mr. W.C. Wells of Palliser B.C. respecting his application to purchase lands in connection with his leasehold. In the first he asks if he is entotled to what he claims under the Rev. John McDougall leasehold.

The second letter deals with the N.½ of 25 - 26 - 5 west 5th Meridian which he desires to substitute for the S.½ of the same section. You will observe from my report on his former application, that I could not approve of the S.½ of 28 being granted, as it was too far removed from the bulk of the lands. The same reason applies to the N.½. Besides, the township plan shows that at the time of survey there were two settlers on it, J.G. Sir;-

I enclose herewith copy of a letter dated the 18th instant which has been addressed me by Mr.W.C.Wells and a copy of my reply thereto. In this connection I would refer you to file of your office No.137.543 T.& M.. His letter is in reply to mine of the 12th instant, copy of which was sent you. You will note what he says about Creighton & Cooper, particularly his objections to the former. I presume, that if the department so desires, Mr.Wells can be informed that in winding up these leases, the department is not bound to accept the selection of the leaseholders and sell them whatever they want, and protect these squatters in that way. Another ground might be taken, namely the fact that these men were in possession through the laxity of the lessee and having permitted them to remain as long as this and made improvements on their claims, the Government could hardly be expected to eject them at this date. The lessee might, of course, eject them while his lease is still in force and when he was in peacable possession of the land, the Government might, however, be justified in selling it to him. It would be considered that it would be in the interest of Mr. Wells or the men with him. Possibly this is a case where you consider investigation on the spot either by myself or the Homestead Inspector.

Calgary, N.W.T,

Dear Sir:-

I have yours of the 12th inst, acknowledging my application for N.E. of 28 -26-5 west 5th but which you say cannot be entertained, for the reasons that J.G.Creighton and Jas.Cooper are settlers thereon. This is the first intimation to me that there was to be any reservation in allotting the leaseholders their lands upon surrender of their leases. Inasmuch as the department could not recognize squatters claims to any lands within the limits of my lease while in force, I cannot, of course, see how you can now assume that these settlers have any claim to the 4 sections upon which they have settled. Creighton would be a very objectionable man for me to have in the vicinity, if I expect to make a success of my ranch. He makes a specialty of raising cayuses only and now has quite a band running over the whole country, apparently without any benefit to himself, and certainly very much to my detriment. Although I have never interfered with this man, in fact, with any one of the squatters on my lease, Creighton has made himself particularly obnoxious and has only himself to blame for any difficulty that may now arise. Apart from this, my foreman informs me that it is essential to the interest of my ranche, that there should be access to the water running through Sec. 28 and that my cattle have hitherto been driven away from the vicinity.

I think, on representation of all the facts, the department cannot do otherwise than concede the lands I have applied for, and allow me to deal with any settlers on the lease.

Yours, etc.

Mr. Burgess,

Mr. W.C. Wells, the lessee of a grazing ranche near Morley, has applied to purchase a certain portion of his leasehold. The portion of land for which he has made application has been settled upon by two persons, namely Creighton and Cooper.

Mr. Pearce informed Mr. Wells that as these settlers were on the land his application to purchase could not be entertained. In reply Mr. Wells states that this was the first intimation he had received that there was to be any reservation in allotting leaseholders their rights upon surrender of their leases; that as the Department could not recognize a squatter's claim to any land within the limits of his ranche while the lease was in force, he was unable to see how it could now be assumed that these settlers have any claim to the lands upon which they have squatted; that Creighton would be a very objectionable man to have in the vicinity as he owns his band of cayuses to run over the whole country; and that he has been informed by his foreman that it is essential to the interest of his ranche that there should be access to the water running through the land for which he has applied.

Mr. Pearce suggested that Mr. Wells might be informed that in winding up these leases the Department is not bound to accept the selection made by the leaseholders, and he stated that it was through the laxity of the lessee that these squatters were so long allowed to remain on the land making improvements; that the lessee might while his lease is still in force eject the squatters, in which case

the Department might possibly be justified in selling the land to him; and that he would be glad to be advised whether you desire an investigation to be made on the ground either by himself or by a homestead inspector.

Sir:-

I enclose herewith copy of a letter from Mr.W.C.Wells of Pallisar,B.C.(Your Ref.137.543) dated the 6th ultimo and regret the delay has occurred in forwarding it, a delay which,I think,you can understand; but if an explanation is necessary,it can be given.

Regarding the N.W.¼ of 24-26-5 west of the 5th Mer.. I have before me a report made by the Homestead Inspector on the 17th April last,from which it would appear that one Alexander Villies has resided thereon continuously since April 1889,has on it a house worth $300.00,Stable and outbuildings $165.00,Fencing $40 and 10 acres broken. The land itself is of no value except for pasturage and not very valuable even for that. It is probable I think that the valuation of the improvements by the Inspector may be somewhat too high. As to the N.W.¼ of 26-26-5 west of the 5th Mer.I would refer you to my letter of the 20th of March 1896 and enclosures.

The investigation suggested in yours of the 15th of April 1896 was not made,I was unable to go there at the time and the Homestead Inspector was otherwise employed in a different section of the country; in fact,he was and is very much behind both with his Homestead inspection work and also that part including forest ranging,so that it was late in the season when this could be overtaken and I thought probably the Minister

Mr. Burgess,

On the 7th of April, 1896, I reported to you that Mr. W.C. Wells, who held an old form of lease, had applied to purchase a certain portion of his leasehold; and that a portion of the land had been settled upon by two persons named Creighton and Cooper. You gave directions that Mr. Pearce be asked to make an inspection and report.

Mr. Pearce has lately furnished a description of the tract Mr. Wells desires to acquire, and he reported that Mr. Alexander Gillies had resided continuously on the North West quarter of Section 24, Township 25, Range 6, West of the 5th Meridian, since April, 1889; that he had a house worth $300.00, also stable and outbuildings $60.00, fencing $10.00, and had broken ten acres; that he had not made an inspection of the land upon which Cooper and Creighton had settled as he was unable to go there himself, and the time of the Homestead Inspector was otherwise engaged in a different Section of the country; and he thought probably the Minister might consider that there would be no necessity of considering

the

the application at all. I suppose Mr. Pearce refers to the application made by Mr. Wells for the land upon which Messrs Cooper and Creighton are living.

It appears to me that the land upon which they are living should not be sold to Mr. Wells, nor the quarter Section upon which Mr. Gillies is residing. There appears, however, to be no objection to the remainder of the tract applied for being sold to Mr. Wells at the rate of $1.25 per acre.

Dear Sir:-

Replying to your letter of the 23rd ul - timo I beg to say that application for the purchase of lands referred to in my letter of the 6th of February need not be further considered, exclusive of the three quarter sections occupied by Gillies, Creighton and Cooper.

It is now probable that I will abandon my ranche and quit the business at the earliest possible date. I may say that my lease was surrendered upon the stipulation that I could purchase 10 per cent of the area, as provided for by an an Order-in-Council, and which, as I understood it, was without any reservation of lands occupied by settlers who had no right to homestead entries.

He should have stated the residence performed by him and the improvements made. I have only to add that by an affidavit on fyle in this office made by Gillies before Mr. Brabazon, D.L.S. on the 30th of July, 1888, he states he supposes this claim is on the Mount Royal range, and that he then had been living on the N.E.¼ of 25, in the same Township for two years, and had been notified to leave by Blaker a lawyer.

Blaker was solicitor for the Mount Royal Ranche Co. In another affidavit made by him on the 11th of March 1886, before John Mc. Dougall, he claims the S.½ of 10, 27, - 5, - west of 5th Mn. and states he had been living on

Mr. W. C. Wells who held a lease on the old form of certain grazing lands applied to purchase a certain tract of land within his leasehold. It was pointed out to Mr. Pearce that the area applied for exceeded one-tenth of the area of his leasehold. Mr. Wells has now filed a letter from Mr. R. M. Mr. [illegible], who holds the ore form of lease of ranche No.45, for which he is entitled to purchase ten per cent of the leasehold at $1.25 an acre, applies for a grant of [illegible] acres. The land was pointed out to him as being the same [illegible] in ranche No.153. The ranche was leased to the Reverend John McDougall, who afterwards assigned the lease to Mr. F.W. Wells. Mr. [illegible] filed an assignment from Mr. F.W. Wells to himself of the ~~same~~ right of the former to purchase.

I, therefore, ~~am~~ willing to sell to Mr. [illegible] Wells [illegible] at the rate of $1.25 per acre. The lease of ranche is now [illegible] on the 1st of April, 1907, and of ranche No.153 on the 1st of February, 1908.

As the Order in Council authorized the sale of ten per cent to the lessee, provided that the rental must be paid up to the date of purchase I think Mr. Wells should be informed that it will either be necessary to pay the rent up to the present time, or else the sale at the time the lease was cancelled, and that interest on the purchase money must be paid upon that sum up to the date of payment.

Sir,

I am directed to acknowledge your letter of the 20th ult., No.13032, enclosing a copy of a contract dated the 9th of January last between Mr. W.C. Wells, describing 1,120 acres of land, within the limits of which he desires to purchase a location (No.2), and in reply to say that those lands upon which Messrs. Gillies, Cottingham & Cooper are living cannot be sold to Mr. Wells, but there would appear to be no objection to the remainder of the lands applied for by Mr. Wells being sold to him at the rate of $1.25 per acre.

Sir:-

See your Ref.137.543 T&M. I am in receipt of the following letter from Mr.W.C.Wells of Palliser B.C.dated the 5th instant:

"Referring to your letter of the 17th of May, I beg to say "that it is not my intention to purchase any of the lands I have "applied for unless the Sections occupied by Gillies, Creighton "and Cooper are included. I have already intimated to you that "any improvements made by these squatters, I am prepared to pay "for, upon a fair valuation being made. If I am not accorded the "right to purchase these sections under the Order-in-Council "which provided for the surrender of leases, it is now my intentio "to ask the Minister that my lease, surrendered 1st April 1894 sho "should be revived, as it was under the express stipulation that I "could purchase all lands within the limits of my lease, up to 10 "per cent of the area, without reserve".

In conversation with Mr.Wells I understood that as far as Gillies is concerned, he had not much objection to allowing him to remain; but he objected most decidedly to Cooper and Creighton acquiring the land they are on, as it would interfere very seriously with his business.

Mr. Smart.

Mr. W. C. Wells, of Halliser, N. W. Upon this tract three settlers are living, and Mr. Wells was informed that the tract he applied for could be sold to him with the exception of the lands upon which the settlers referred to are residing.

Mr. Pearce has reported that in a letter dated the 17th ultimo, Mr. Wells informed him that it was his intention not to purchase any of the lands he had applied for unless the sections occupied by the settlers were included; that he was prepared to pay for any improvements made by them upon a fair valuation being made; that if he was not accorded the right to purchase these sections under the Order in Council which provided for the surrender of the lease, it was his intention to ask the Minister that the lease surrendered on the 1st of April, 1894, be revived, as it was granted under the express stipulation that he could purchase all lands within the limits of the leasehold up to 10 per cent of the area thereof, without reserve.

I think Mr. Wells might be informed that the Department cannot make any arrangement with the settlers such as he refers to and that the lands upon which they are living cannot be included within the tract which may be sold to him.

The

The Order in Council which authorised the sale of 10 per cent of the leasehold did not provide that the Department was compelled to sell to the lessee the ~~area~~ of the leasehold which he might select. It only authorised the sale of 10 per cent of the leasehold.

I beg to call through you to direct the attention of the Hon the Minister of the Interior to the following.

Lease No 45. known as the Mount Royal Ranche Co is in financial difficulties It was one of the leases gazetted on which settlement was not permitted. Many have squatted on it and request they be protected, and pending in granting a lease to the new proprietors the assignees of the original ones. That the lease be granted subject to settlement. These parties claim that as the original leaseholders have forfeited their rights through non-Compliance with the terms of said lease the Govt is at liberty at this date to treat with the present claimants as may be deemed best in the public interests. That in the public interests it is advisable it should be open to settlement. it being very well suited for small Ranches. there being a plentiful supply of water on the ladder point their contention is I just made is correct, as to whether the Govt can deal with it as is requested I am not in a position to form an opinion, but have thought it advisable to direct your attention thereto.

Dear Sir ;-

It appears, from the records of the Land Office at Calgary, that Alex. Gillies, a squatter on the Lease surrendered by me of Ranch 45, has applied for a patent of the N.W. I/4 of 24.26.6, W. 5 Mer. With the surrender of my lease, I applied to purchase this quarter section with other lands which I am entitled to under an Order in Council, making provision for the surrender of such leases, as the holders thereof chose to come under.

The Department has declined to sell this quarter section, alleging, as I am informed, that any squatters should have been put off the lease. Memorandum.

During your visit to the west Mr W.C.Wells, of Pallisar,B.C.,who is manufacturing lumber at that point under license from the Department of the Interior, and who also holds a grazing lease, called upon me to protest against the recognition of the claims of three squatters within his leasehold. These squatters are Messrs Cooper and Weinton, who own, the S. 1/2 S. - 22 - 5 W. 5th M., and Alexander Hillis, S.E. 21 - 22 - 5 W. 5. I called the attention of Mr.Wells to the fact that these people had settled upon their respective quarter sections with his own consent, and I explained to him that it had been before been the policy of this office, so soon as a lease had been granted, to recognize squatters by awarding them homesteads, unless they were able to apply for patent to pre-empt, as they had not performed duties any if they were prepared to conform with the homestead provisions of the Dominion Lands Act; and since in the three instances in question his own permission as lessee had been given and as these leases had now been determined I did not see on what

ground he could object. I suggested to him ~~however~~ that if he were not satisfied he still had the right to carry the case to yourself, but on the whole I understood he was inclined to the conclusion that he would not take further action. He now however sends his protest in writing, and I submit it for your consideration and decision.

Dear Sir,

Re Grazing lease to A. W. C. Wells

I enclose a memorandum of W. W. C. Wells claim to include in his purchase lands occupied by squatters – which memorandum you will recall was to be sent in as the result of an interview had with you by Hon R. W. Wells & myself early this month.

Yours truly
J. Gemmill

THU 21 APR

Memorandum for

The Honourable The Minister of the Interior:

Re Grazing Lease No.46) W. G. Wells
formerly Mount Royal Ranche.) lessee

The Lessee applies under the authority of certain Orders-in-Council for the purchase of 10 per cent of his Leasehold, and he claims that on the facts submitted below certain squatters on such Leasehold should not be considered to his prejudice and that he would be permitted to include the lands occupied by them as part of the 10 per cent he desires to purchase.

1. The Lease of No.46, formerly the Mount Royal Ranche, containing 1000 acres of grazing lands East of Calgary in Alberta was granted to Allan Patrick on 1st August 1906 and by various subsequent assignments became the property of W.G.Wells on 20 March 1909 - the consideration paid by the latter being $20,000.

2. The Lease was for a term of 21 years from 1st May 1907 at a rental of $100 a year, and Mr.Wells paid his rent up to 1st November 1909 and interest thereon up to 1st Dec. 1909.

3. The Lease included or covered three quarter sections occupied by squatters.

4. Under Orders-in-Council of the Government of Canada dated 12 October 1903 and 27 April 1903 Mr. Wells became entitled to purchase ten per cent of the Leasehold as well as [illegible] sections Lease he held, namely, No.139, at the rate of $1.25 a
on 16 December 1905 [illegible] proper officers of

Department of the Interior that he would exercise his right to make such purchase.

6. The entire area under lease to Mr. Wells has been constantly managed as a Commercial enterprise since 1890 and he has annually expended $3000. in wages and a large sum in freights in connection with said Ranche and he has also made extensive improvements thereon consisting of buildings, wire fences, irrigation ditches, reservoirs, &c., and has now a herd of over 13,000 head of cattle on the ranche.

7. That Mr. Wells paid the rent for 10 years on said Lease No. 40 including rent for the three quarter sections occupied by the squatters.

7. That Mr. Wells had the legal right to eject the squatters at any time cut out of deference to the views repeatedly expressed to holders of Grazing Leases, generally by the Dept. of the Interior, that squatters should not be summarily or harshly dealt with, he refrained from taking any steps to enforce his legal rights.

8. That under the provisions of the Lease from the Crown, no squatter had any right of settlement or even of homestead entry without the consent of the Lessee and heretofore they have occupied the land upon sufferance and upon terms of good behaviour.

9. That inasmuch as the Leases were cancelled at the request of the Department, and inasmuch as the proposal to cancel the Leases contained an option given to him to purchase ten per cent of his holdings without any reservations, it would be

unfair to deprive him of any rights and privileges which he enjoyed and which he had every reason to believe he would be permitted to retain.

10. That the lands he desires to purchase, including the lands occupied by the squatters, are almost the only lands fit for settlement within the bounds of the lease, that the squatters are unable to fence in the quarter sections and it will be admitted that their occupation of adjacent lands in the absence of the portion purchased by Mr. Wells will offer a pretext to them for putting stock on them which could not be far except by raging on his ground. Already one of the squatters makes a practise of ranging thereon a large mob of horses belonging to other people due to detriment and loss and inconvenience of Mr. Wells.

11. It would therefore be unfair and unjust to thus encourage men who have never made any return to the Crown in rent to trespass upon the holdings of those who have complied with the law by paying for whatever rights or privileges they may have, and it will seriously interfere with the settlement of Mr. Wells' areas if this condition is permitted.

12. On these facts Mr. Wells submits that he is entitled to purchase the land occupied by these squatters as part of the 10 per cent he has applied for. He is disposed to treat the squatters fairly and even liberally and to merely offers to pay

--for--

for their improvements any sum which an Arbitrator appointed by the Minister of the Interior may determine.

MON 8 MAY

Dear Sir ;-

My brother has sent me, for my perusal, a form of facts, from which he has requested you to prepare a statement for the Minister of the Interior. The only point of any strength, which can be raised against me, is that I should not have allowed these squatters to remain on my lease until it was cancelled. I had special reasons for taking no action to eject them so long as I was a lease-holder. This question came up at Ottawa some years before Mr. Pearce and the late Deputy Minister. While they did not question my right, it was agreed that it might be very much to my own interests, while a lease-holder, to have no difficulty with squatters.

When the opportunity presented itself to buy the lands, I concluded to do so, and abide my time until they became absolutely my property. Had it not been for the terms of the cancellation offered lease-holders, the probability is that I would have moved against these squatters before the expiration of my lease, and my contention now is that the Government had no right, immediately upon its cancellation, to put me in any worse position than when I was, to all intents and purposes, the owner. These squatters had acquired no rights up to the time my lease was cancelled, and whatever rights had accrued to me by the terms of the cancellation, and existed up to

that time, should not be voiced or disturbed by any action of the Department. It should be a matter entirely between the settlers and myself, but in which the Department can facilitate a fair settlement out of consideration to the settlers.

I trust that you will put these points before the Minister with all the force you can give them,

Memorandum :- 423510-

To the Minister,

Some weeks ago you referred to me for investigation and report to you the subject of the memorandum submitted to you by Mr. J.J. Cassill, Barrister of this City, on behalf of Mr. W.C.Wells.

At first reading I was under the impression that Mr. Cassill had made out a good case for Mr. Wells, and that the latter was not only entitled to be allowed to purchase 10 per cent of the area of the land leases of the Brantly leases mentioned in that memorandum, but that such could be had only at the 10 per centage -- Mr. Wells -- desired to obtain.

The leases of Cassill of the 15th October, 1892, and the 15th April, 1893, each for $1000 and $1000 [illegible] respectively, are very indefinite as they stand, and upon reading them it seems to be fair that as the lessees were giving up certain rights under their respective leases, they were reasonably entitled, in the absence of any contrary express provision, to elect from what part of the lands at Silver Lake they preferred.

Reference to the leases in question, however, shows that neither they nor their assigns have ever made any selection, and that the

10

10 per cent to be selected must be the subject of selection and agreement between themselves and the Minister of the Interior.

The demise clause of each lease excepts therefrom, inter alia, "all such lands as may, under the provisions and conditions of these presents be at any time thereafter withdrawn from the operation thereof."

The [illegible] of the two leases to Alfred P. Patrick on the 24th August, 1903, is as follows :-

"8. That it shall be lawful for the Governor in Council at any "time during the term hereby granted, if it be "deemed in the interest of the public service, "so to do, to determine these presents for any "reason, the Minister of the Interior "may think fit, by notice to the lessee to that effect, "or cancel these presents at any time during the "term hereby granted."

The other lease which was issued to the Reverend John McDougall on the 24th November, 1903, was more favourable to the Crown, as it reserved to the Crown the right to cut any portion of the timber [illegible]. It is as follows :-

"8. That it shall be lawful for the Governor in Council "at any time during the term hereby granted, if it be "deemed in the interest of the public service, "so to do, to determine these presents for any "reason, the Minister of the Interior may think fit, by "notice to the lessee to that effect, or cancel these "presents at any time during the term hereby granted."

Condition

Condition 9 in each lease contains provisions for the survey of any part of the lands which the Minister of the Interior considers should be surveyed "in the public interest."

The 11th condition of each lease contains provisions for the protection of any persons occupying the land at the time of the lease.

It is clear therefore that the [illegible] protect not only those persons who were then in occupation of parts of the land, but to make provision for the necessities of other parts of the land as necessity arose.

If, therefore, Mr. Bell cannot arrange with the present persons who are residing on portions of the lands he requires to avail himself of the lease in question, he is at liberty to [illegible] and [illegible] within the lands [illegible] interested to [illegible]

[illegible]; at all events this is the conclusion I have arrived at.

Department of the Interior,

Ottawa. 8th June, 1898.

Sir,

I am directed to inform you that the subject of the memorandum which you forwarded to the Minister with your letter of the 21st April last, and of the letter which Mr. W.C.Wells addressed to you upon the 25th of that month and which was received here with your letter of the 3rd ultimo to the Minister, namely, his claim to be entitled under the terms of the Orders-in-Council of the 12th October, 1892 and 22nd April, 1893, to purchase for the price therein stated such lands as he has selected or may select as ten per cent of the area of the two tracts of lands which were originally leased to Mr. Allan P. Patrick, and the Reverend John McDougall, respectively, has been considered, and that it has been decided that neither the lessee, nor his assigns, of grazing lands, surrendered by him or them under the terms of the Orders-in-Council above mentioned have the right of selecting the lands to form the ten per cent which the lessee or his assigns may purchase under the terms of such Orders.

The wording of the Orders-in-Council is perhaps indefinite, and it can easily be understood that an interested person might very naturally come

to

J.A.Gemmill, Esq.,
Barrister,
Ottawa,

to the conclusion that as the person entitled under a grazing lease was giving up all rights thereunder he would be entitled, in the absence of any express contrary provision in the Orders, to select, as his ten per cent out of the tract of lands so given up, any lands he preferred or selected.

But reference to the leases in question makes it certain that neither the lessees nor their respective assigns have such right of selection, and that the ten per cent to be selected must be the subject of selection and agreement between themselves and the Minister of the Interior.

The demise clause of each lease excepts therefrom, amongst other lands, "all such lands as may, under the provisions and conditions of these presents be or become hereafter withdrawn from the operation thereof."

The 8th condition in one of the two leases the lease which was issued to Allan P. Patrick, on the 24th August, 1882, is as follows :-

"8. That ~~xxxx the~~ should the Governor in Coun-
"cil at any time during the term hereby granted
"think it to be in the public interests to open the
"lands hereby demised for settlement, or to ter -
"minate these presents for any reason the Minister
"of the Interior of Canada may, on giving the lessee
"two years notice, cancel these presents at any
"time during the term hereby demised :"

and the 8th condition of the other lease which was issued to the Reverend John McDougall on the 27th November, 1886, goes much farther in retaining to the Crown

rights

rights over any portion of the lands in question. It is as follows :-

"8. That the whole or any part of the lands "hereby demised shall be open to homestead and pre- "emption entry, or to be purchased from the CROWN, "Government at the cash price of not less than two "dollars and fifty cents ($2.50) per acre, upon "application being made therefor ; and that as "entries are granted or sales effected the lease s "shall become void in respect of the lands so en- "tered or purchased. And should the Governor in "Council at any time during the term hereby granted "think it to be in the public interest to terminate "these presents for any reason, the Minister of "the Interior of Canada, may, on giving the lessee "two years' notice, cancel these presents at any "time during the time hereby demised."

Condition 9 in each lease contains provisions for the survey of any part of the lands which the Minister of the Interior considers should be surveyed "in the public interest."

The 11th condition of each lease contains provisions for the protection of any persons occupying the land at the date of the lease.

It is clear that when issuing these leases the intention was to protect not only those persons who were then in occupation of parts of the land, but to make provision for the settlement of other parts of the land as necessity arise .

If, therefore, Mr. Wells cannot amicably arrange with the three settlers who are residing upon portions of the lands he desires to obtain as his ten per cent of the lands in question, he is not entitled to such portions, and his application

to

to include the same in the lands to be patented to him cannot be granted.

Dear Sir;

I have your letter of the 15th inst. There has evidently been an error on my part in giving you an improper description of the lands I intended my application to you of the 5th Feb., 1898, to cover. It appears now that the following sections described as in Township 26, Range 6, should have read Township 26, Range 5, west of 5th. Mer.- viz, Nos. N.1/2 17 & 18, and all 20 to 33 inclusive.

I wish therefore to correct my application of 5th Feb., 1898, and substitute therefor the following;

All Sections

The lands included in application of J.G.Creighton for parts of 29 and 30 and all of 33m referred to in my letter of 15th ~~Feby~~,Inst., you will see were intended to be included in my first application of 5th Feb., 1898. I assume that the Department will not allow any advantage to other parties by reason of the mere clerical error inadvertantly made.

Sir,

With reference to your letter of the 22nd August last, fyle 22105, enclosing a revised list of the lands which Mr. W. C. Wells desires to purchase in connection with the cancellation of the grazing leasehold by him, I am directed to say that Mr. Wells is entitled to purchase under such lease 2226 acres only, while the area of the several parcels of land he applies for aggregates 4[illegible]4.83 acres. This area includes the area of Section [illegible], containing 640 acres, which, in any event, must be deducted, as school lands can only be acquired by purchase at public auction. It should also be pointed out to Mr. Wells that all the odd-numbered sections selected by him form part of the Canadian Pacific Railway Company's land grant; and that, in the event of his including any of such odd-numbered sections in his revised list, the consent of the Company must be obtained either to the selection of other lands in lieu thereof or to the Department selling the odd-sections in question at $1.[illegible] per acre, in which latter case the proceeds of the sale will be credited to the Company: but, should the sale be carried out in this manner, the purchase money for the odd-sections would have to be paid in cash and not in scrip. It will be necessary, therefore, before any further action is taken in the matter, for Mr. Wells to revise his list so as to confine the area to the 2226 acres he is entitled to purchase.

Sir;

Referring to your communication of the 14th ult., File 423510, I have the honour to enclose herewith an application from Mr. W. C. Wells of Palliser, B.C., to purchase certain lands in Townships 26 and 27, Range 5, Township 26, Range 6, and Township 27, Range 4, west of the 5th, amounting in all to 2400 acres. It would appear from your letter of the 14th referred to that Mr. Wells is only entitled to purchase 2026 acres of his old leasehold at $ 1.25 per acre but I presume Mr. Wells, requires the excess to round off his ranche and the excess might be sold to him at the regular price, viz, $ 3.- per acre.

I know of no particular reason why these lands should not be sold to Mr. Wells - they appear to be clear in the books of this office.

Sir,

I beg to acknowledge your letter of the 20th instant, File 214, in the matter of the application of Mr. W. C. Wells, of Pelliser, for permission to divert water for irrigation purposes, and stating that that Gentleman has written as follows:-

> "The West half of Section 36-26-6-5 has not been "applied for by me for the reason that it is practi- "cally homesteaded, containing all my ranch build- "ings and other ~~improvements~~ improvements. No other "person could in fact get an entry for this, and my "intention has been to leave my own entry for it in "abeyance until 1st May 1902."

The records of the Department do not show that Mr. Wells has ever made entry for any portion of this half section, and I am to point out that should an application be made to make entry for a quarter section of this half section, the land being shown to be vacant, entry would be granted. Mr. Wells should make entry for 160 acres out of this half section without further delay. 423510.

Ref. 423510.

Ottawa, 6th August, 1902.

Memorandum

Mr. W. C. Wells was permitted, under your instructions, by letter of the 24th January, 1900, to purchase at $1.25 per acre, in connection with the surrender of the grazing leases held by him, 2026 acres out of, among other lands, the whole of Sec. 30--26--5, W. 5th, and the E. ½ of 36--26--6, W. 5th.

The Agent now submits an application from Mr. Wells to purchase the N. ½ and the S. E. ¼ of the said Section 36 and the S. ½ only of the said Section 30; and asks the date from which interest should accrue. He (the Agent) also encloses a communication from Mr. Wells in which the latter states that the reason he has not attended to the matter sooner is his enforced absence from Calgary owing to the sitting of the House at Victoria.

Please instruct me as to this amended application.

With regard to the question of interest, the Agent was told in our said letter of the 24th January, 1900, that interest would have to be paid on the parcels he was permitted to purchase at 6 per cent on the purchase money for 1200 acres of land from the 1st November, 1894, and on 826 acres of land from the 1st February, 1893. these being the dates on which he paid rent on Ranches 45 and 129.

Sir,

See your File 423511 re sale of lands to W. C. Wells included in Ranches 45 and 129. On the 15th of January last Mr. Wells was notifed a copy of letter sent H. O. to the effect that the total amount of purchase money and interest up to the 31st of that month would amount to $ 1495.95 but up until the 8th inst., no money was paid in. On that date a letter was received from Mr. D. P. McDonald of Cochrane, Alberta, who has been Mr. Wells foreman and who I understand has purchased the ranche forwarded a cheque for $ 100.00 on account of the purchase which is being held here until head office decides whether a payment of $ 100.00 is sufficient. It appears to me nothing less s than the total amount of interest to date and 25 % of the principal should be accepted as first payment.

I have the honour to inform you that on the 9th July last Head Office was asked whether a payment of $100.00 would be regarded as sufficient on account of the purchase money of lands sold to Hon. W. Sir,

Referring to your letter of the 5th ultimo, File No. 22095, addressed to Mr. W.H. Coleman of Morley, Alberta, a copy of which letter was forwarded here, in which you advised Mr. Coleman that the South West quarter of Section 4, Township 27, Range 6, West of the 5th Meridian was not available for leasing as it was sold to Mr. W. C. Wells, I am to point out that the quarter-section in question is in Ranche No. 3015, held under lease by Mr. A. M. McDonald and has not been sold to Mr. Wells as stated in your letter. No doubt the land referred to was the South West quarter of Section 4, Township 27, Range 5, West of the 5th Meridian, which was sold to Mr. Wells and afterwards assigned to Mr. M. F. McDonald of Cochrane.

Madam,-

I beg to acknowledge the receipt of your letter of the 8th instant, in which you state that the North half of Section 24, in Township 26, Range 6, West of the 5th Meridian, comprises the first and second homestead of your husband, and that you have been in possession of this land since 1884. You ask respecting the standing of the mineral rights.

In reply I beg to say that according to the records of the Department it appears that the mineral rights in this land were reserved to the Crown in the patent issued for the surface rights, and that Legal Subdivision 13 is at present comprised in a petroleum and natural gas lease issued under the provisions of the enclosed regulations.

Referring to the Acting Deputy Minister's request for a report respecting the application of Mrs. Mary Gillies for patent for the under rights in connection with the above land patented to her husband, Alexander Gillies, I beg to state that the N.W.¼ was entered for as a homestead by Alexander Gillies on the 3rd January, 1898, and the patent therefor was issued to him on the 25th August, 1898, reserving to the Crown the mines and minerals.

He was a squatter before survey and his application for patent states that he built a shack in 1889, house in 1890 and commenced residence in April 1889.

Under the provisions of Order in Council 17th September, 1889 (P.C.2167) mines and minerals were reserved to the Crown in patents for lands entered for after that date and as Mr. Gillies obtained entry on the 3rd January, 1898, the mines and minerals were properly reserved to the Crown.

N.E.¼..Mr. Gillies applied for second homestead entry for this quarter section but as he was not entitled to a second homestead he was permitted to purchase a quarter section at $1.00 an acre subject to performance of ordinary duties. He selected this quarter section which was sold to him on the 23rd January, 1904 (Time Sale) and patent was issued on the 12th August, 1909, reserving to the Crown mines and minerals and irrigation rights. Such rights are reserved in patents for lands entered for after 23rd July, 1894 (Irrigation Act).

Madam:

N.½ 24-26-6-W.3.Mer.

Referring to your application for a patent in connection with the above for the under-mentioned which were patented to your husband, Mr. Gilliss, I beg to state that the records of the Department show that Mr. Gilliss obtained homestead entry for the North West quarter of this Section on the 3rd January, 1893, and the patent therefor which was issued to him on the 25th August, 1898, reserved to the Crown the mines and minerals.

Under the provisions of Order in Council of the 17th September, 1889, mines and minerals are reserved to the Crown in patents for lands entered for after that date and as Mr. Gilliss obtained entry, as above stated, on the 3rd January, 1893, the mines and minerals were properly reserved to the Crown.

Mr. Gilliss applied for a second homestead entry for the North East quarter but as he was not entitled to a second homestead he was permitted to purchase a quarter section at $1.00 an acre subject to the performance of ordinary duties. He selected this quarter section which was sold to him on the 22rd January, 1904, and the patent which was issued to him on the 12th August, 1909, reserved to the Crown mines, minerals and irrigation rights. Such rights are reserved in patents for lands entered for after the 22rd July, 1894.

It would therefore appear that the Department is not in a position to convey to you the under rights in connection with the half section of land in question. It is open to you, however, to make application for such rights as are available under the provision of the regulations in that behalf.

Under Rights.
N.E.¼ 4-27-6-W.5.Mer.
N.½ 24-26-6-W.5.Mer.

I beg to return your memorandum addressed to Mr. Spence to which is attached the Deputy Minister's memorandum of the 17th instant respecting the under rights in connection with the above described lands referred to in Mr. Merriam's letter of the 14th idem and to report as follows:-

N.E.¼ 4-27-6-W.5.M.-Angus W. McDonald.

Mr. McDonald obtained homestead entry for this quarter section on the 4th July, 1905, and the patent therefor was issued to him on the 27th September, 1905, reserving to the Crown the mines and minerals as such reservations are, under the provisions of the Order in Council of the 31st October, 1887, inserted in patents for lands west of the Third Meridian entered for after that date.

Subsequently, in 1914 the attention of the Department was called to the fact that Mr. McDonald was a squatter before survey and had resided on the land from May, 1906, to 4th July, the date of his application for patent and that the under rights had been reserved to the Crown.

A patent therefore issued to him on the 8th March, 1915, excepting the minerals other than gold and silver.

N.½ 24-26-6-W.5.M.-Alex. Gillies.

N.W.¼ Mr. Gillies obtained homestead entry for.....

for this quarter section on the 3rd January, 1898, and the patent therefor was issued to him on the 25th August, 1898, reserving to the Crown the mines and minerals as such reservations, under the provisions of the Order in Council of the 31st October, 1887, are inserted in patents for lands west of the Third Meridian entered for after that date.

Under the provisions of the Order in Council of the 17th September, 1889, these reservations are inserted in patents for all lands entered for after that date.

Mr. Gillies commenced residence in April, 1889, and does not appear to have any claim to the mines and minerals even from that date regardless of the date of entry as such rights were barred by the Order in Council of the 31st October, 1887.

Mr. McDonald, on the contrary, began residence in 1886 although he got entry in 1905.

N.E.¼..This land was sold to Mr. Gillies on the 23rd January, 1904, at $1.00 an acre subject to ordinary duties as he was not entitled to a second homestead and patent is ued to him on the 12th August, 1909, reserving to the Crown the mines, minerals and irrigation rights.

I understand the under rights of the N.E.¼ 24-26-6-W.5.M. are covered by certain Gas Leases, while those of the N.W.¼ are undisposed of.

Mrs. Gillies was advised in connection with the N.½ 24-26-6-W.5.M. at Ghost River Ranch, Cochrane, Alberta, on the 1st October last.

Sir,

I beg to acknowledge the receipt of your letter of the 8th instant, and in reply to inform you that I doubt whether the exchange of lands which Mr.Austin wishes to make can be granted on the terms mentioned in your communication. I see that Mr.Austin is indebted for seed grain advanced last year, both on his own account and as bondsman for John Austin. If he is willing to have this indebtedness made a charge against the S.W.¼ of section 19 Township 47, Range 24, W.4th M., he may be allowed to abandon his present homestead and to re-enter for the quarter-section mentioned. I should also say that I do not think, in the event of the exchange being made, it will be possible to credit Mr.Austin in connection with his new homestead with the time he has put in on the land he now holds.

In view of the statements which you make I am sending a copy of your letter to the Head Office at Ottawa and will write you again so soon as a reply is received from there. Dominion Lands Commissioner

Mr.H.H.Smith,

Dear Sir,

I will ask a favour of you the like of which I suppose was never asked before, it is like this, I hear there is a man lives about two miles from me by the name of Nevile Austin he has a claim he has been on and worked all the time for three years coming August, 1907 and has had his crops all fail by frost. He has about 30 acres under cultivation and good post fence, frame house and granary, hewed log barn about 50 foot long. Now he is discouraged and making arrangements to leave in the Spring and it is too bad to lose a good neighbour, hard work and a practical farmer like him and his father, there is the South East of 10-47-21, my section that was vacated the fore part of this winter that the frost was not part in Austin's time how we travel around to keep Austin and family well I asked him last week if he would trade and stay if I could induce you to trade he said he would if he could have the benefit of the time he has in and entitled to seed for he will need what he has to stay till the crop comes off Now the quarter on 10 has about 15 acres broke and worked and nothing else on it to speak of what fence there is is poplar poles poplar stakes and them rotten the buildings and spruce poles and everything else were sold and hauled off only the breaking and that would have been sold if it could been hauled away. Now a bird in the

hand is worth two in the bush Now I think with the differ
ence in the two improvements it would be wise in behalf of
the Government and very beneficial to this locality to
keep a good farmer near if we can, for we have plenty poor
ones in every country this not excepted. Please consider
this matter well and answer me as your heart is We thanking
and asking your kind consent,

(Sd) George Ross

P.S.

If we keep David Austin, his father will stay too,
as he is the head main of the two but it equally strong in
the father.

Sir,

I beg to inform you in reply to your letter of the 21st instant, 423767, that no payment has been made by G. H. Bayliss for the improvements on the S W ¼ 10 47 24 W 4 M. If the non-payment constitutes ground for cancellation, I would respectfully recommend this course, but that it shall be adopted only after notice is served personally upon Mr Bayliss by the Forest Ranger, Mr Coleman. Some of the best settlers in the district have rather crude notions in respect of obligations to the Crown in the nature of money payments; and a personal conference will often accomplish a satisfactory settlement where letters fail.

Ottawa

Dear Sir:

Will you kindly let me know if the S.E 1/4 section 28, 32, 2 w. 5th can be cancelled. There is no one living on it, no ploughing nor fencing done, only old, ruinous cattle sheds & an equally ruinous log house, put up by some ranchers years ago, standing on the place. I understand the former applicant for it is in the [illegible] for some time. — If we can cancel it, kindly send instruction & if possible look upon our claim no. 70303 in case others should apply. I am writing in behalf of my brother Robin Adair Brooke, nearly 19 yrs of age & a British subject.

Hoping for a favourable reply as soon as possible & convenient, I am

Yours truly

Office of the
SUPERINTENDENT OF MINES,

Calgary Alberta, 20th March, 97

Sir,

Mathias Lambert obtained homestead entry for the S.E.¼ of Section 20--46--22 West of the 4th Meridian in the year 1893 and commenced residence on the 9th July in the same year. He obtained patent in August 1896. Mr. Lambert is born in Three Rivers, Province of Quebec; but came to this country from North Dakota. He went to the States in 1855 and is now 44 years of age. He is a married man and has a family of nine, his eldest girl is 18 years of age and the youngest 4 months, the eldest boy is 11 years of age. The land on his quarter section is very hard to clear but he has some 20 acres broken. He is very anxious to obtain the N.W.¼ of 16--46--22 West of the 4th Meridian as a second homestead, this is also bushy; but could be cleared and made into hay lands. He has buildings on his present holding to the value of $500 or $600, has 40 heads of cattle, 8 horses and ten sheep. He thinks that under the circumstances, he is entitled to the most liberal treatment that it is within the power of the department to grant him.

I may say that Mr. Lambert strikes me as being an exceptionally good settler and if in any manner his request could be met, I think, it would probably prove policy to do so. I told him I would forward his application, which was made verbally to me, but, of course, held out no hopes that the same would be favourably considered.

I am, Sir,

Your obedient servant,

The Commissioner,
of Dominion Lands,
Winnipeg.

Sir,

Referring to your letter of the 20th instant, File 13500, I beg to say that as Mr. Lambert appears to have only obtained entry for his homestead the S.E.¼ of Section 20, Township 46, Range 2[illegible], W.4th. in May last and certificate of recommendation for patent in September last it is quite clear that he is not entitled to the privilege of making a second homestead entry. At the same time in view of the statement made in your letter I am sending a copy of it to the Head Office for consideration of the Minister and to ascertain what, if anything, should be done to meet Mr. Lambert's wishes.

I, Jared Paisley, of Tp.9 Rg.29 west of the 4th Mer. Farmer make oath and say:

I am 30 years of age, single, born in the County of York Ont.; came to the Northwest in 1882, in the service of the Indian Department and remained in that service until 1885, since then I have been working out. Took up my present claim viz. S.W.¼ of 30-9-29 west 4th M. never lived on said claim. Four years ago, I erected a log house 18'x20' ro f partly finished; no floor, windows or doors in it, some three years ago sold it as it stood to Wm. Dunbar for $60; I think, said house was sold to one Reach in Macleod. The house at present in course of erection was commenced about one year ago, is log 17x18', walls up, slabs on for roof, no floor, windows or doors, worth as it now stands as much as the old one I sold to Dunbar for $60. Have 40 heads of cattle which run around my place also 2 horses. Acquired my place from no one. Was first told that I was on the Walrond Ranche lease by Dr. McEachren; had at that time the house started. Never inquired from any one where the Walrond boundaries were. Was written to by the Department of the Interior not to make any further improvements about one year ago. Dr. McEachren forbid me settling on the Walrond lease about a year ago.

Cross e a ined by Dr. McEachren:
Had no reason to suppose I was on the Walrond lease, but from what I was told inferred I was on said lease.

Sir:-

I enclose herewith copy of a declaration by one Jared Paisley concerning a claim to a portion of Sec.30 and 31 - 9 - 29 west 4th Meridian made before Mr.D.T.S.Wilkins on the 5th of September last. I also enclose with this copy of a declaration by the said gentleman made before me on the 6th June 1890, in which he claims another piece of land altogether. I also enclose a blue print shewing position of buillings and portion of cultivation so far as they affect Section 30 made from a topographical survey by me according to the survey which I then found. According to the sketch furnished me as per yours of the 18th of January last Ref.386.567, the correct survey should come some 2 chains and 71 links further north than is shown on the blue print. I have inlicated the line on it by a broken line. I would also refer you to my report in this case of the 2nd of August 1894 (Your Ref.132.440) . There is considerable further correspondence on this file ; but it refers merely to the proposed ejection of Dixon and need not be gone into at present. That the ejection did not take place was owing to Dr.McEachren fear of malicious destruction of the Walrond Ranche property as a result thereof.

thereof.

I think,this case illustrates very well the unreliability of a great deal of evilence obtained from squatters in the stock district. They seem to be a peculiar class of people. According to Paisley's affidavit of 1890,he was claiming another part of Sec 20 altogether,namely the S.W.¼.thereof. I think,probably his improvements were partly on the S. E.¼.. At that time,Dixon claimed what Paisley is now claiming and stated that he had bought the claim from the Venerable Archdeacon McKay in 1885. No mention is made of Paisley as having had any interest in this claim whatever. Dixon has resided thereon since up to 1894 and for all I know may be on the claim still,in fact,I think he is. However,there is a claim there which has to be disposed of to either Mr. Dixon or Mr.Paisley and it would appear from the evidence of Paisley,as corroborated by Dixon,herewith enclosed,that the Dixon Brothers or Anthony Dixon,is out of the running entirely now. Whatever claim Paisley may have,must be subsequent to 1894,there cannot be no doubt of that,his affidavit to the contrary. Probably I had better explain more fully: Paisley knew all about Dixon's claim preferred before me in 1894,therefore,if he at that time had any claim to this land,he should and would have made the same known. In the declaration taken before Mr.Wilkins,in answer to question 44,he states,that he never had any other squatters claim. Now,that is disproven by his own evilence ,so that no dependence can be placed on what he states. You will observe that his corroborating witnesses do not answer for his statement regarding Que.44 being correct.

There is about 20 acres of ploughing arable land on 30, the balance is rough mountain land only fit for grazing, where my stock runs. THE ASST. SECRETARY.

I beg to submit for your consideration and decision Mr. Paisley's letter of the 26th ultimo, applying to purchase the balance of Section 30, Township 9, Range 29, West 4th Meridian.

The N.W.¼ is reserved for stock-watering purposes and the S.W.¼ has been homesteaded by Joseph Spears. No entry has yet been reported in Mr. Paisley's name for his homestead on section 31. I would please see para 4 of Mr. Pearce's report of the 14th March 1897, in which he recommended that Mr. Paisley be permitted to homestead the S.W.¼ of section 31, less the North half of Local Subdivision 5, and 10 acres out of the N.W.¼ of section 30, and to purchase 10 acres of the latter quarter section at $2.50 per acre. I suppose what Mr. Paisley now wants is to purchase the remainder of the said N.W.¼. I see no objection under the circumstances to his being allowed to do so at the current rate, but, if it is proposed to consider his application, I think a homestead inspector's report should first be obtained.

Memorandum:-

Mr. F. Dickson in his letter, dated Macleod the 5th ultimo, enclosed a statutory declaration made by Mr. J.J.Dunbar, respecting his claim to homestead entry, as a squatter prior to survey, for the N.W.¼ of section 31, township 9, range 29, west 4th meridian. In his declaration it is stated that Mr. Dunbar since 18[illegible] continuously resided on the said quarter section; that he has one mile of fencing and has continuously cropped an area of not less than 2 acres; that ever since going into occupation of the said land he had thereon, or on a ranche in the vicinity, not fewer than 30 head of horses and cattle, and that he had built a house, which upon survey was found to have been built upon the S.W.¼ of the same section.

The said N.W.¼ of section 31 is vacant according to the records of the Department and is not railway land. The plan of survey is dated 14th January, 1907, and shows improvements and the name of Mr. John Dunbar are shown on such plan of survey on the N.W.¼ of section 31.

On the 21st January last Mr. J. Paisley was given 20 days within which to enter as a homestead the S.W.¼ of section 31 (1439.9), but his entry has not yet been reported to the Department. In a letter to the Department, dated 20th January, 1906, Mr. Dunbar stated that in 1882-83 he had settled on the N.E.¼ of section 36, township

J.W.Greenway, Esq.,
Commissioner of Dominion Lands.

township 9, range 29, west 4th meridian, and that the correction survey placed his house on the S.W.¼ of section 31, township 9, range 29, west 4th meridian, and other buildings on the S.W.¼ of section 36, township 9, range 30, west 4th meridian. He was told that the Department would grant him entry when the land was surveyed as nearly as possible so as to cover his improvements. In reply to a letter dated 30th November, 1906, Mr. Dunbar stated :-

"I wish to homestead the W.½ of the N.W.¼ of "sec.31, Tp.9, Range 29, and also the East half of the "S.E.¼ of sec.36, Tp.9, Range 30, west of the 4th meridian, "making 160 acres. I also wish to purchase a piece of "land (2½ acres) out of the North West corner of the "S.W.¼ of above sec.31; 10 chains east and west and "2½ chains north and south, also a similar piece out of "the North East angle of the South East quarter of above "sec 36 on which my buildings now are according to the "new survey made by D.L.S. Wilkins.

"The reason I wish to purchase these two small "pieces of land in the above shape is that I wish to own "the land on which my buildings are, but do not wish to "take any more from the south part of these sections than "I can do with as there are other settlers located on them "as well as myself. I am willing to give up all other "claims to the other parts of 31 and 36 if I "obtain the above. I offer $...00 per acre for this "land. It must be taken into consideration that workable land is scarce "in this region valley and I do not want to crowd my "neighbours."

Mr. Dunbar's request was then submitted to Mr. Wm. Pearce, then Superintendent of Mines, and in accordance with his recommendation Mr. Dunbar was permitted to enter as a homestead for the N.½ of Legal subdivision 2, and the S.½ of Legal subdivision 15, and the whole of legal subdivision 12 of section 31--9--29, West 4th M.; the W.½ of Legal subdivision 9, the S.½ of legal subdivision 16, and the whole of legal subdivision 9 of

section

section 36, in all 160 acres, and to purchase the N.½ of Legal Subdivision 13 of section 31 and the N.½ of Legal Subdivision 14 of section 36, shewn on the sketch attached hereto; but this decision was never carried out by Mr. Dunbar and no further correspondence in relation thereto has taken place until now.

The whole of the N.E.¼ of section 36 was entered in 1904 by John A. Dunbar, to whom a patent was issued on the 7th July, 1906, and, as already stated, Mr. Paisley was recently given permission to enter as a homestead for the whole of the S.W.¼ of section 31, upon which Mr. Dunbar states his house is built. Such house is probably on the N.½ of Legal Subdivision 14, which it was originally proposed to include [illegible] entry. It will also be observed that Mr. Dunbar in his recent application, while he states his house is built on the S.W.¼ of section 31, he does not apply to acquire the land upon which it is built.

I think Mr. Dunbar's present application for homestead entry for the N.W.¼ of section 31 should be granted, but, unless he acquires the parcel of land comprised in the S.W.¼ of section 31 upon which he has been in residence, such residence could not be counted as residence on his homestead. Under the circumstances it appears necessary to call Mr. Dunbar's attention to this fact, and also to instruct the Agent in the meantime not to grant Mr. Paisley entry for the S.W.¼ of section 31.

Sir,

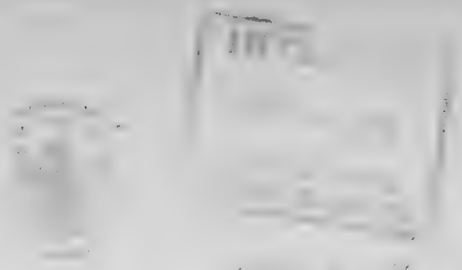

I am directed to acknowledge the receipt of your letter of the 13th ultimo, in which you ask that Mr. J.J.Dunbar be allowed to acquire two acres square out of the N.W. corner of the S.W.¼ of Section 31, Township 9, Range 29, West Fourth Meridian, which you state would include the ground on which his house is built, and request that he be permitted to acquire the two acres as a part of his homestead, the N.W. ¼ of the same section, and in reply to say that it is not quite understood here what meaning you intend to convey by the phrase two acres square. It is thought, however, that what you desire is that an area comprising two acres only of the quarter section in question should be included in Mr. Dunbar's homestead, and that these two acres should be in the form of a square; and I am to say that there would be no objection to a request such as this being complied with. If, therefore, this conclusion is correct, the matter can be adjusted by permitting Mr. Dunbar to acquire the portion containing in the S.W.¼ of Section 31, as a part of his homestead and Mr. Paisley may be permitted to enter for the balance of the quarter section. A copy of this letter is being sent to the Post of Dominion Lands at Strathcona for his information.

Memorandum:-

I beg to return Mr. A. E. Grady's letter to the Minister, of the 24th June last, enclosing a letter from Mr. J. Paisley, respecting his application to purchase the N.E.¼ of Section 30, Township 9, Range 29, West 4th Meridian.

The N.E.¼ of Section 30, above referred to, stands as a stock-watering reserve, and according to the papers on file 423959 herewith, no previous application appears to have been received from Mr. Paisley for this quarter-section, but xx it is possible that there may be some correspondence in relation thereto in the Timber, Grazing and Irrigation Branch, as the land, as already stated, is reserved for stock-watering purposes.

Memorandum:-

I beg to return the letter from Mr. A.F.Grady,dated Macleod,the 22nd ultimo,enclosing a letter from Mr.J.Paisley,both addressed to the Minister respecting Mr.Paisley's application to purchase the N.E.¼ of section 30,township 9, range 29,west 4th meridian,. In this connection I am sending you File 123959 concerning Mr.Paisley's application.

It will be observed that the land applied for stands as a stock-watering reservation by Order-in-Council of the 11th September,1907.

By letter of the 7th January,1907 Mr.Paisley was permitted,by Mr.Smart,then Deputy Minister, to purchase the W.½ of the said section 30 at the current rate of $3.00 per acre,upon his entering as a homestead the S.W.¼ of section 31 in the same township. He entered on the 14th February,1906, the latter quarter section as a homestead,which was patented to him on the 27th November,1907,but he does not appear to have as yet availed himself of the privilege granted to him of purchasing the said W.½ of section 30.

Mr.Paisley,in his letter above referred to, possibly refers to the S.E.¼ of section 30 by mistake, instead of the W.½,as the latter quarter section adjoins his homestead,and according to Mr.Homestead

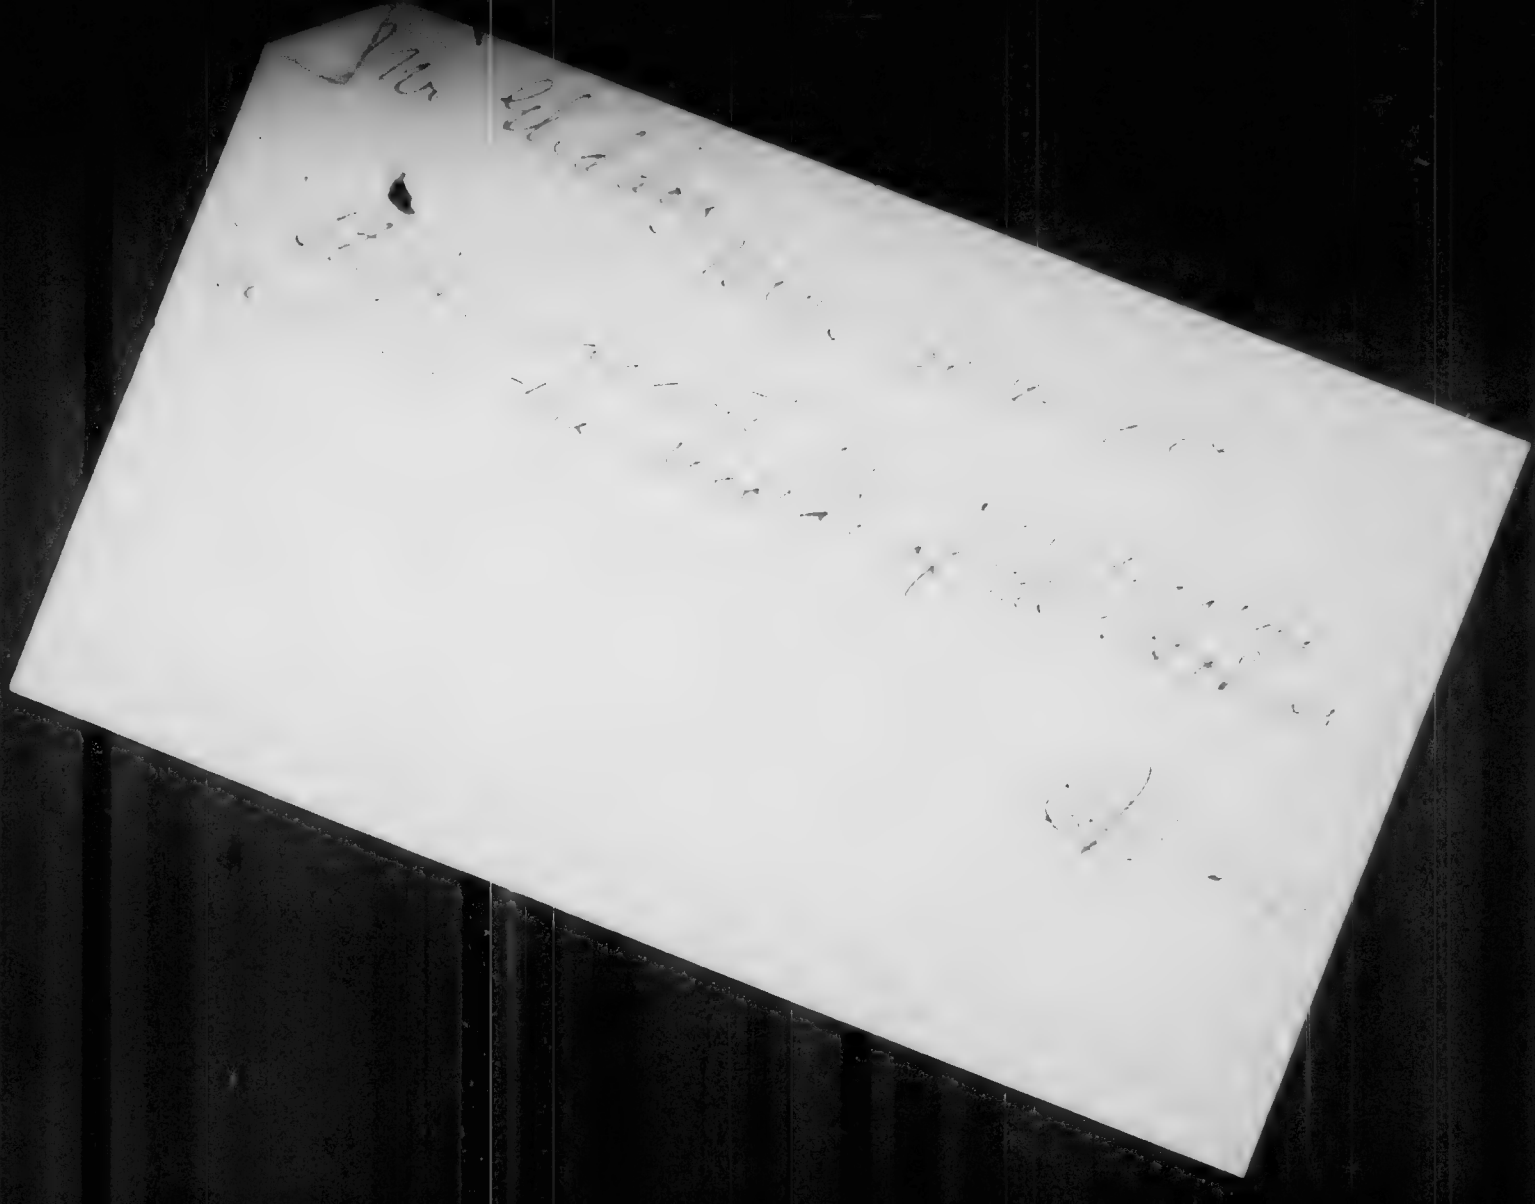

Inspector

J.W.Greenway,Esq.,
Commissioner of Dominion Lands.

Inspector Bryant's report of the 10th October, 19 4, Mr. Paisley had some improvements on this quarter section, which are also shown on the township plan.

The N.W.¼ of section 30 is still available in the records of this branch and those of the Timber, Grazing & Irrigation Branch.

Mr. Paisley, in his letter above referred to, possibly refers to the S.E.¼ of section 30 by mistake instead of the N.W.¼, as the latter quarter section adjoins his homestead, and, according to Mr. Homestead Inspector Bryant's report of the 16th October 1904, Mr. Paisley had some improvements on this quarter section, which are also shown on the township plan.

6th May, 1909.

Mr.N.C.Coté :-

Mr.John Dunbar was permitted to acquire two acres in the form of a square at the in the N.W.corner of the S.W., of Section 31, Township 9, Range 29, West of the Fourth Meridian, which it was represented would include the ground on which his house had been built, and Mr.J.Paisley permitted to homestead the balance of the quarter section. This decision was arrived at as far back as October, 1905.

Mr.Paisley was duly granted entry for the quarter section in question, exclusive of these two acres, and a patent was issued in his favour on the 27th November, 1907. The addition was not made to Mr.Dunbar's homestead, but it appeared from a communication received from him in December last, that he still desired to secure the two acres in the manner indicated, and Mr. Cliddon suggested in his memorandum to the Commissioner of the 21st January last, that the decision arrived at be carried out. Such suggestion, which received Mr. Greenway's approval, was made on the assumption based on a report received as to the standing of the land in the Township Register, that the two acres had been excluded from Mr.Paisley's patent.

I 10 39631

It now transpires that the patent for Mr.Paisley's homestead was issued exclusive only of the Railway Company's Right-of-Way, and the question now arises as to how Mr.Dunbar's claim is to be adjusted.

Mr.Dunbar

Mr.Dunbar recently remitted here payment at $3.00 an acre, for two and a half acres.

The only way out of the difficulty would appear to be to ask Mr.Paisley to surrender the two acres in question to the Crown, in order that they may be added to Mr.Dunbar's homestead. Mr.Paisley would have no ground for objection to taking this action as he quite understood that the two acres were to be excluded from his patent.

Mr.Dunbar's homestead patent has not been issued and upon the release to the Crown being received here the two acres will be added.

Advertting to your letter of the 17th inst., having further reference to your desire to acquire two acres in the North-west corner of the S.E. ¼ of Section 32, Township 9, Range 20, West of the Fourth Meridian, I am directed to point out to you that the location under which you were permitted to acquire these two acres was based on representations made that they would include the ground on which your house had been built. Sir,

Replying to your letter of the 21st ultimo, Ref. 11885, I am directed to say that the date of sale of the N. W. ¼ of section 30, township 9, range 29, West of the 4th meridian, is the 1st of May, 1909, and the exact area to be paid for is 158.40 acres.

MEMORANDUM -

2 acres in N.W. corner of S.W.¼ 31-9-29, W.4.
Conflicting claim of J.J. Dunbar and
John A. Dunbar. To extend of Mr.
J. Baisly.

Mr. J.J. Dunbar was permitted to acquire these two acres, which it was represented would include the ground on which his house had been built, and Mr. Baisly was allowed to homestead the balance of the quarter section. This decision was arrived at so far back as October, 1905. Mr. Baisly was duly granted entry for the quarter section in question, exclusive of these two acres, but the addition was not made to Mr. J.J. Dunbar's homestead, and the patent for the quarter section was inadvertently issued to Mr. Baisly exclusive only of the roadway crossing the two acres.

Mr. J.J. Dunbar subsequently made application for the two acres, and remitted payment at $2.00 an acre for the one and one-half acres. It appeared, however, from his application for patent that his residence had been entirely on his homestead, the N.W.¼ of the section, and a report from a Homestead Inspector was called for.

It could now appear from the Homestead Inspector's report and declarations made by Mr. J.J. Dunbar's father, John A. Dunbar, and Mr. Baisly, that the improvements on the

J.W. Greenway, Esq.,
Commissioner of Dominion Lands.

the two acres, which consist of two log houses valued at $150.00 and $175.00, were made by John A. Dunbar, and that he (John A. Dunbar) had been residing on the two acres for the past ten years; also that J.J. Dunbar has resided continuously with his father on the two acres.

It would appear further that John A. Dunbar, to whom the N.E.¼ of Section 36, Township 9, Range 30, West of the 4th Meridian, was patented as a homestead on the 9th July, 1904, desires to acquire the two acres, in order that he may have access to water and that he may have a building site, and that he claims a prior right to purchase owing to his being a bona fide settler.

It is clear from the evidence that the ground on which J.J. Dunbar was permitted to acquire these two acres, namely, that his house had been built thereon, no longer exists, and that he made a false declaration in his application for patent for the N.E.¼ of the Section, which contains the statement that he had been in continuous residence thereon from the 15th August 1904, to the 17th October, 1908.

With respect to Mr. John A. Dunbar's claim, he had no authority to go into occupation and make improvements on the property. If it is proposed, however, to consider his application favourably, Mr. Baily would have to execute a release to the Crown covering the two acres, and it would seem that he is willing to do this.

Tracings annexed hereto on which Mr. J.J. Dunbar's homestead, entered for on the 13th September, 1905, is shown hatched in green, the homestead of J.A. Dunbar, patented to him on the 9th July, 1904, hatched in blue, J. Baily's homestead, patented to him on the

17th

27th November, 1907, hatched in black, and the two acres applied for hatched in red.

Mr.N.O.Coté :-

Two acres in the N.W.corner of the S.W.¼-31-9-30-W.4th M,conflicting claims of J.J.Dunbar and John A. Dunbar. Homestead of Mr.E.Paisly.

The decision in the case was that, as the first step, Mr.Paisly should be asked to release the two acres to the Crown.

Mr.Rothwell, who was asked to prepare,for execution by Mr.Paisly, the required form of transfer, now states in his memorandum of the 1st instant, that the proper and least expensive course of action to take in the case would be to have the transfer prepared in accordance with the provisions of the Real Property Act by the local agent of the Department of Justice.

No decision has yet been arrived at as to who is to be granted these two acres, and the transfer to which Mr.Rothwell alludes would, therefore, have to be executed in favour of the Crown. (See the last paragraph but one of his memorandum).

Sir,

I am directed to inform you that homestead entry was granted to Mr. J. Baily, of Raymond, Alberta, for the S.E.¼ of Section 31, Township 9, Range 29, West of the Fourth Meridian, exclusive of two acres in the north west corner of the quarter section on which it had been represented that Mr. J.J. Dunbar's house had been erected. Through inadvertence, however, the patent for Mr. Baily's homestead was issued, the date of such patent being the 27th November, 1907, exclusive only of the roadway crossing the two acres. The two acres are now claimed by Mr. J.A. Dunbar as well as by Mr. J.J. Dunbar, and, as it is desired that these claims should be adjusted, you are requested to cause the necessary action to be taken to re-vest the two acres in the Crown. The two acres may be more particularly described as follows:-

All that portion of the South-west quarter of Section Thirty-one in the Ninth Township in the Twenty-ninth Range, West of the Fourth Meridian, which may be more particularly described as follows:-Commencing at the North-west corner of the said quarter section; thence southerly along the west boundary of the said quarter section a distance of four chains and forty-seven and two-tenths links; thence easterly parallel with the north boundary of the said quarter section a distance of four chains and forty-seven and two-tenths links; thence northerly parallel with the said west boundary a distance of four chains and forty-seven and two-tenths links more or less to the said north boundary; thence westerly along the said north boundary a distance of four chains and forty-seven and two-tenths links more or less to the place of beginning; containing by admeasurement two (2) acres more or less; Saving and excepting thereout for a roadway a strip of land one chain in width crossing the said parcel as shown upon a plan said roadway, signed by C.H. Ref. 30[illegible]07

-19th July, 1911

Gentlemen:- Re S acres in S.W.¼ 31-9-29.W.1st M.
including [illegible] in application to Mr.J.
Paisley, of Wetaskiwin, 20th November, 1907.

The Department of Justice by letter of the
1st December, 1909 was requested to have reverted in the
Crown the 2 acres above referred to, claimed by Mr. I.J.
Dunbar who had resided and made valuable improvements
thereon. In this connection I beg to submit Mr. Sinclair's
letter of the 16th inst., stating that their client
Mr. Dunbar had been unable to obtain any reply from the
defendant to their letters to him and that evidently
[illegible] is in no hurry to appear but to take action. He
asks whether it is intended that proceedings be taken in
the Exchequer Court under section 91 of the Dominion
Lands Act to have the patent declared void.

In the circumstances there does not appear to
be any course open and I therefore beg to recommend
that Mr. Deputy Minister of Justice be requested to take the
necessary proceedings to have the patent to said
Crown. In the event of this action being taken it will
be necessary for certain documents, now in the
possession of the Department of Justice.

I enclose herewith Mr. I.J. Dunbar's application for
patent for the W.½ of [illegible] 31, Township 9, Range 29,

Sir,

Adverting to my letters to you of the 10th July last, and the 23rd December following, I beg to inform you that Mr. John James Dunbar was recently advised that he might purchase the small parcel of land in the N. W. corner of the S. W. ¼ of Section 31, Township 9, Range 29, West of the 4th Meridian.(1.50 acres) on which some of his improvements stand, and that upon payment being reported here his application for homestead patent for the N. W. ¼ of the same Section will be dealt with. I would further state for your information that Mr. Dunbar is to-day being advised that the Department cannot see its way clear to selling him the portions of Legal Subdivision 8 of Section 31, Township 9, Range 30, West of the 4th Meridian, on which improvements have been placed, and that it will be necessary for him to remove the improvements from the parcel.

You will observe from the foregoing that it will not now be necessary for Mr. Dunbar to furnish the Department with Letters Probate of the Will of his late father, John J. Dunbar.

Sir,

With reference to your application to purchase the portion of Local Subdivision 8 of Section 30, Township 9, Range 20, West of the 4th Meridian, comprising 100 acres more or less, on which some of your improvements are situated, I beg to inform you that careful consideration has been given your application, but the Department cannot see its way clear to allow you to acquire this land, and it will be necessary for you to remove your improvements therefrom.

Adverting to the Departmental letter to you of the 24th ultimo, granting you permission to purchase two acres of land in the N. E. corner of the S. E. ¼ of Section 31, Township 9, Range 22, West of the 4th Meridian, at $5.00 an acre, I beg to inform you that it was due to an oversight that this area was mentioned as the correct area to be paid for in this case is one and one-half acres. It was also overlooked, at the time of writing, that official receipt No. 346 for $7.50 was sent to you in May, 1909, which amount was offered in payment for the land in question. You will, therefore, observe that it will only be necessary for you to remit a payment of $1.50 in this connection.

In case you have already remitted payment to the Agent of Dominion Lands at Lethbridge, in accordance with the directions contained

Please instruct a Homestead Inspector to visit the land as soon as possible and report fully as to its character, the number of acres which can be broken, the cost of breaking per acre, what improvements were on the land, the number of stock owned each year by Mr. Plowman, and whether this land is used by the stock for summer grazing or winter feeding.

O Hawa. 27th September, 1916.

Memorandum;

Mr. Hume.

N. E. ¼ 30-9-"9-". 4th M.,

This quarter section was purchased by Mr. Frank H. Plowman by Public Auction at Pincher Creek on the 23rd June, 1911, subject to the performance of homestead duties.

The purchase price has been paid in full. Mr. Plowman has made application for patent for this land and was advised by the Agent of Dominion Lands at Lethbridge on the 4th February last that as he had performed the preliminal portion of his residence duties by residing on his patented free homestead, the S. W. ¼ 30-9-29-W. 4th M., he would have to submit proof of ownership, and further he would have to perform fifty acres of breaking of which thirty should be placed in crop.

The following instructions were received from the Deputy Minister's Office on the 7th June last:-

"It has been represented to this office, "that this quarter section is difficult to break. "Kindly have a Homestead Inspector instructed to "visit the land as soon as possible and report "fully as to its character, the number of acres "which can be broken, the cost of breaking per "acre, what improvements are on the land, the "number of stock owned each year by Mr. Plowman, "and whether this land is used by the stock for "summer grazing or winter feeding.

"When the report has been received, kindly "have a full statement of the case referred to "this office."

Homestead Inspector's report dated 30th ultimo shows, duties as per form 156 herewith.

Remarks:-

"On the 10th August I visited and inspected "the N. E. ¼ 30-9-29-W. 4th M., the Time Sale of "F.H.Plowman and find that the west portion is broken

"broken badly with the creek so that the breaking
"that is done had to be done in small pieces. On
"the East it rises on the hills and is very rocky
"and impossible to break. The 25 acres of breaking
"done is all the land fit to break. This breaking
"would cost $5.00 per acre. In my opinion Mr. Bowman
"should be allowed to substitute stock in lieu of
"further breaking."

Please state action.

Sir,

Referring to your letter of the 6th instant, file 8174, I beg to say that, in view of the defence filed by Frank Rowtell and the report of the Homestead Inspector, you may allow him until the 1st July next to file satisfactory proof of being in residence upon his homestead, the S. E. ¼ of Section 2, Township 41, Range 25, West Fourth Meridian. I would, however, point out that in Mr. Zimmerman's statement, which is dated the 28th March, 1903, he claims to have 20 acres broken, whereas, the Inspector reports only three acres. There is, evidently, a discrepancy which should be inquired into.

Sir,

In reply to your letter of the 21st ultimo file No. 2499, I am to inform you that the S. E. ¼ of Lot 21, 25, West 6th appears by the records of the Department to be a cancelled homestead of W. F. Buchlke, but the land does not appear to have been held at any time for Mr. Buchlke's son. Under the circumstances reported it will perhaps be well to obtain a report from the Homestead Inspector before disposing of the land. There is nothing here to show why the application of Mr. Orr of Strawberry Hill for the entry should not be granted if he is eligible.

Sir,

Referring to your letter of the 20th ultimo to the Agent at Red Deer I am to inform you that instructions have recently been issued to the Agent to obtain a report from the Inspector upon the N. ½ of 12, 41, 25, W 4th, and after this is received the claim of your son to the land will receive consideration. I am to say that so far as the records of the Department show permission was never granted by the Department for your son to go into residence upon the land. A portion of your letter above referred to seems to have been mislaid, and consequently it is not known when your son will be of the full age of eighteen years. This information should be supplied.

Sir,

I beg to inform you that upon examining your application for patent for the N.E. ¼ of Section 17, Township 41, Range 25, West Fourth Meridian it is found that you claimed in your evidence to be a British subject by birth, and as the papers were apparently completed a certificate of naturalization was issued in your favor. Upon going further into the matter, however, upon examination of your application for homestead entry, it is observed that you therein describe yourself as an American subject from Washington, U.S.A. If this is correct it would seem that you are not a British subject, and cannot therefore claim, and be issued to you the certificate of naturalization must be revoked. You are hereby called upon to cite at once any reasons that you may have in connection with this application.

In the petition underneath, transmitted to you by Mr. Oliver, M.P., the request is made that the wife of Theodore Just should receive the patent for her husband's homestead. The reasons given are, first, that he has deserted his wife, and, second, that she and her children have made most of the improvements.

The entry stands in the name of Theodore Just, and unless proof is presented that he is not complying with the conditions of the law in respect of it, I do not see how cancellation could be made. While the entry stands in his name it would be impossible to issue patent to anyone else.

The petitioners allege that Just has offered to transfer his right and that therefore his entry is liable to forfeiture. According to the wording of the Act (Section 42) it would be necessary that an agreement to assign or transfer should have been entered into, before forfeiture could be held to have taken place.

Respectfully submitted,

Commissioner.

6 I was at the time not aware that I was acting against the law, but since I have found out that I had, I met the purchaser, and we mutually agreed to annul the agreement of sale.

That the reason I agreed to sell said land was, that my herd of cattle had so increased that I required a much larger area of land for my operations, that I did not purchase any more in the neighbourhood of my homestead, and was therefore compelled to move further away, where I could acquire more land.

Sir:-

I beg to enclose herewith in this registered letter H.O. File ,424026 re the application of Theodore Just Esq., for his patent for the S.E.¼-16-45-21-w-4-.

Attached to this file is Mr. Just's application for apatent, his naturalization papers and certificate of recommendation issued on the 25th of October 1901 and signed.

I enclose the Homestead Inspector's report and the affidavit of Mr. Just made on the 10th of August last.

From what I can learn Mr. Just is entitled to and should get his patent, without reference to domestic affairs, regarding which it appears that he is not to blame. He is a good settler and as the Inspector's report shows must be industrious and a good man for the country. I would strongly recommend that his patent be issued to him.

Deputy Minister of the Interior -

I beg to call your attention to the fact that on the 28th April 1904 and again in April last I applied in person at the Office of Indian Affairs, Calgary, for the sale of the land in the Albert East, known as the Cemetery land in question, so that the same might be sold and acquired for the purpose of a cemetery. I am informed that this application has never been dealt with, and I am informed that the land has been illegally sold by the Department. I have also called the attention of the Department to the fact that the land is required for the purpose of a cemetery. I therefore ask that you will make such enquiries in the matter as may be necessary to have the sale cancelled and the land reserved for the purpose of a cemetery. I remain, Sir, your obedient servant,

I declare that the above mentioned agreement is to go as I have spoken to so under and interpreted the provisions of said Act and amending Act thereto will not invalidate the same and I am satisfied that no portion of the right and title to the above mentioned land has been granted by the Crown

Sir,-

S.E. ¼ Sec. 16 Tp. 46 Rge. 21 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided ne is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

I ber to return the application for patent of Homer J. Schoolcraft for the North East ¼-35-46-20-W. 4th M., and to inquire whether it was your intention to recommend it for the approval of the Commissioner. I would point out that the applicant lived on his son's land and not upon his own homestead, and of course cannot count such time as residence. If you have dealt with the case under the two miles radius clause, you have apparently overlooked the fact that the and three months residence on the homestead has not been put in.

Sir;-

Re H.O. letters of Dec 4th, 1902, file 424156. I note that I should not have recommended this Application for Patent of Homer J. Schoolcraft for the N.E.¼-32-45-20-w-4-m owing to his residence having been done on his son's ¼, the Fr. S.W.-¼ 4-46-20-w-4-m.

Mr. Schoolcraft called to day and desires to know, as he now has the recommendation for Patent for the Fr. S.W.¼-4-46-20-w-4-m, as Legal representative of his son Charles I. Schoolcraft (deceased), if he should now continue to live on his son's place would this count as residence ~~as~~ for his own place.

Otherwise, he will build a house on his own place and go ~~i~~ into residence at once. He has 65 acres broken thereon.

Could his case be treated under the "Two mile radius ~~clause~~ Clause"? He made entry in June 1898 but ~~as~~ sub-clause 6 of sec 38 of the Dominion Lands appears to have been done away with on the 1st of Jan'y 1894.

The Doctors have informed Mr. Schoolcraft that he has con-~~sumption~~ -sumption and may not live much more than a year consequently for the sake of his family he desires to get his affairs straightened up.

Would you kindly give instructions in the matter in order that I may inform Mr. Schoolcraft of the ~~duties~~ duties still to be performed by him.

This is a somewhat peculiar case. There were two Schoolcrafts, father & son. The son died & his h.s. pat. is being issued, the father being the legal representative.

The father lived with his son, apparently by mistake, having erected house on latter's land.

He cannot come under 2 clause, and he failed to exchange entries as was suggested.

He is consumptive and not likely to live more than a year.

Sir,

I am directed to acknowledge the receipt of your letter of the 3rd inst., in which you complain that permits to cut hay have been issued in connection with the S.E. ¼ of 22, 38, 25, W. 4th M., for which you have applied entry, and to inform you that a copy of your letter is being sent to the Local Agent at Red Deer for report, and you will be further advised after he has done so. I am to add that it is not thought that the complaint which you make is well founded, and upon further consideration you will probably agree with this view. Applications to cut hay are received in connection with vacant Dominion lands, and if any quarter-section upon which a permit has been applied for is subsequently homesteaded, it is only reasonable that the latter should be granted subject to the rights of the permittee. Arrangements for obtaining a supply of hay must be made early in the season, especially where the supply is to an extent limited, and it would be a serious disappointment to the settler if he were not allowed to obtain

You have been recommended for patent for the S.E¼ of Section 30; Tp. 44; Rge. 21 West of 4th Meridian, which, according to the official plan of survey contains an area of 148 acres, the remainder of it being covered by the waters of a navigable lake. If you desire your patent issued in this way, you must file with me [illegible], make a Statutory Declaration, a form of which can be supplied you, to be made in accordance with the provisions of "The Dominion Lands Act, 1908," and the land covered by the waters of the said lake, as shown upon the official township plan, shall, in any, be patented to you for the full quarter-section area of 160 acres, more or less.

Referring to your letter of the 16th inst., [illegible]. I beg to advise you that I am in receipt of instruction from the Department to the effect that the S. E. 1/4 Sec. 20. Tp. 30. R. 1. W. 1. M. has been reserved until the 1st August next for one Irving Hills.

If you deem it of sufficient importance I presume that you will write the Department and arrange that the obstacle to the entry of this land by Mrs Anderson shall, if possible, removal.

It would seem from the copy recently sent me of the Department's letter to Zilbon P. Hills that the present Irving Hills may possibly intend to go into immediate residence.

Re S.E.¼ 16-46-20 W.4th M.,
Nicholas Parks.

Dear Sir:-

In 1896 Nicholas Parks received a seed grain advance as per the following statement:-

Seed Grain	$21.30		
Int.from 1-4-97 to 25-8-98, ..		$ 1.80	$23.10
Paid, 25-8-98, ..	6.20	1.80	8.00
Balance:	15.10		
Int.from 25-8-98 to 31-7-38 ..		30.55	45.65

He gave as security a bond quoting the above described land, his entry for which was cancelled in 1897. The sum of $8.00 was paid by the next entrant for improvements left by Mr. Parks, and was credited to the account. Patent issued in 1904 to Irving E. Hills. An investigation was made in 1922 and it was found that Mr. Parks had left for Minnesota in 1897 or 1898, and the neighbours had lost track of him.

As there is no security, the account is referred to the Board for adjustment.

Dear Sir:- re : Nicholas Parks.

In the year 1896 this party obtained an advance from the Dominion Government, and the account now stands as follows:-

Balance Principal		$ 15.10
Interest	$ 32.35

The Department of Mines and Resources at Ottawa reports that Mr. Parks gave as security for this advance a bond quoting the above described land, his entry for which was cancelled in 1897. The sum of $8.00 was paid by the next entrant for improvements left by Mr. Parks, and was credited to the account. Patent issued in 1904 to Irving Z. Hills. Sir,

Referring to your statement of the 2[illegible]th ult'imo, I beg to say that as your entry for the S.E.¼ of Section 26, Township 54, Range 26, W.4th M., was never perfected by the commencement of actual residence, the Commissioner is unable to grant you the leave of absence which you desire. In any case I may add that it would be altogether out of the question to protect your entry for two years, and if you find yourself unable under existing circumstances to reside upon and cultivate the land, you had better apply for permission to abandon it and be allowed to take up another homestead later on.

DOMINION LANDS OFFICE,

Edmonton 10th May 1897 189

Sir,

Mrs J.R.McDonald Called upon me to-day in reference to the application advised you on the 29th March last for an inspection of her Son Ronald Archie McDonald's Homestead , the SW¼ 26-54-26 W4thM.

Your Ref: 350312.

Mrs McDonald explains that her son When last he wrote was at Slocan B.C. and that he had not received Cancellation Notice. He is in a Telegraph Construction Gang , earning Money for the further improvements of his place but in Consequence of the Nature of the Work in Which he is engaged it may be difficult - perhaps impossible- to Communicate with him in time to get his defence before the 27th instant - When the period of Notice expires.

He has every intention of returning to the homestead and is most anxious to retain it . He has a Shack upon the place now and about 30 acres under Cultivation and partly in Crop. It will be all Sown to Crop this Spring . About 100 acres are fenced with tamarac posts and poplar rails, put up last year .

The Commissioner
Dominion Lands,
Winnipeg .

The applicant for inspection is brother to the entrant ; and he appears to have made application in order to forestall any other intending applicant. His Mother explains that it was rumored others were seeking to obtain possession and that JohnD.(the Applicant) took action without Consulting her; that She would have preferred to explain the Circumstances and to request further time for the absent Son. She produces Your letter of the 14th December 1895 and Says that Ronald A. has every itention of Completing his duties as rapidly as his means permit .

Mrs Mc Donald asks that her Son be allowed until April 1896 to continue residence and Says that if this is done She will undertake that the area under Cultivation is during this Summer brought up to 40 acres : and that next Spring the entrant will put up a habitable house and produce evidence of a full Compliance with the requirements of the law .

She further Says that John D.McDonald will at once write you withdrawing his application for inspection .

I am assured of the good faith of the persons Concerned and beg to recommend the Case to your favourable Consideration .

Sir,

I beg to inform you that your application for patent for the S.½ 14--53--19, W. 4th M., cannot be accepted as satisfactory in consequence of the limited area brought under cultivation. It will be necessary, therefore, for you to cultivate at least 15 acres of your homestead, or to place upon it 10 head of stock, your own property, together with buildings for their accommodation. These buildings, however, need not be upon the land itself, but may be upon other occupied land in the vicinity.

Sirs

As I am about to apply for a patent on the S.W. ¼ Sec. 5 Twp 5 S. Range 19 W. 4. M. some time last fall and was informed that it could not be granted until I had 15 acres under cultivation on said homestead I now ask if such patent can not be granted as I have done 5 acres breaking this season and will do at least 4 more at a cost of from $2.00 to $3.00 per acre for rubbing besides the cost of breaking. Said ¼ Sec. is nearly all Scrub willow and timber land as the ... you maps will show. And it is with great inconvenience that I have broke this amount.

Sir,

Mr. Denis Herbert, who on the 14th July last made homestead entry for the North West ¼ of Section 20, Tp. 53 Rge. 26 W.4.M., called to day to inform me that his neighbours-to the North- objected, last summer, to his cutting the hay on that part of his homestead lying to the North of the Dog River.

This is much the same sort of case as that of Louis Como and J.Bte.Savoie. The residents and owners of the lots in the St. Albert special survey have as much right to object to the presence of Mr. Herbert on the land North of the River as they had to object to Messrs. Como & Savoie

Mr. Herbert does not desire to get into an altercation with his neighbours and asks that his entry fee be refunded and that he be permitted to make another entry when he can find land to suit him. He thinks there may be long delay in securing a fit place as he apparently wishes to keep near his friends; and for this reason, asks that the $10. be at once returned, rather than that it should be credited and applied upon his next entry.

I beg to recommend his application.

Sir,

Referring to your letter of the 23rd instant 424383 I beg to say that on the 25th March 1897 Mr. Denis Hebert called at the Office in reference to his homestead the N. W. I/4 20. 53. 26. W. 4. M.

He explained that his neighbors had during the previous summer objected to his cutting the hay on that part of the homestead lying North of Dog Creek.

He further informed me that as he did not desire to get into an altercation with his neighbors he would like to be allowed to surrender the I/4 section in questio and to have the entry fee returned to him.

The Department assented to this arrangement of the matter; the $10. paid by Mr. Hebert was duly returned to him, and thus the matter stands.

Dear Sir Wilfrid,

With reference to the letter of the 14th instant from Mr. Lelievre, enclosing one from Denis Hebert, of St. Albert, Alberta, in which he makes complaint in regard to the way in which he has been treated by the Department in connection with the North West quarter of Section 23, Township 53, Range 25, West of the 4th Meridian, I now beg to enclose Enc. herewith copy of a report from the Agent of Dominion Lands in regard to this case. From this report you will see that the cancellation of Mr. Hebert's entry was made at his own request on account of difficulty with his neighbours, so that there does not seem to be any good reason for finding fault with the Department.

MEMORANDUM:-

You have asked for a report in this case.

Mr. F.W. Grant, Barrister, of Midland, Ont., writes to you in reference to two of his clients, C.G. McLeod and Robert Smith, who are desirous of homesteading respectively the North West and North East 1/4 of Section 20, Township 53, Range 26, West of the 4th Meridian.

The North West 1/4 is apparently vacant; but it was once entered for by Denis Hebert, who relinquished it because of the quantity of hay, and the objections raised by his neighbors. The Homestead Inspector reported on the land on the 27th of November last, and you will see that he says that there are 20 acres fit for cultivation. He adds: "I see no reason why this land should not be entered for. The half section would make a good cattle ranche, considerable could be got by improving the meadows."

The North East 1/4 was homesteaded by J.B. Savaie, but his entry was cancelled on account of hay. The Homestead Inspector visited it, on the 27th of November, 1906, and reports as follows: "Considerable could be made into hay land, Low flat land . There has been no hay ~~has~~ cut on this land for several years"

Inspector's report should be obtained to ascertain what Mrs. Barber has done in the way of performance of settlement duties.

As a parallel to the above, I beg to quote the case of Mr. McMillan, (file 1869645 attached hereto, and the Minister's decision in connection therewith).

The homestead of one Milner was cancelled upon the application of J.D.McMillan. Notice of cancellation and of the necessity of his presenting himself to make re-entry was addressed to J.D.Millan, and consequently never reached the applicant for inspection. Mr. McMillan did not present himself at the office of the Agent and the land was subsequently posted and entry granted to G.Brunell.

This case was referred to the Minister who decided that Brunell's entry should be confirmed, but that should Brunell neglect to present himself within a stated period, McMillan then should have first right to re-enter.

Sir:-

With reference to Head Office letter of the 26th of April last, file [redacted] 1839645, I beg to enclose herewith the statutory declaration of Mrs. A. Barber in connection with her cancelled homestead entry for the N.W.¼ of 20-33-26-W.4th M. In view of the fact that Mrs. Barber states that she has not performed any residence or placed any improvements on this land, I have not requested the Homestead Inspector to furnish a report and trust that this action will be quite in order.

Your obedient servant,

A.L.V.

The Secretary,

Department of the Interior,

Ottawa, Ont.,

I am of the opinion that as the application for inspection was received one day after the expiration of six months from the date of her entry, she should, in view of the fact that she did not receive Notices, be given an opportunity of doing the duties.

The Deputy Minister on the 28th April asked for a Statement in this case.

Respectfully submitted,

The yours memo. 28th Ap 11

Ottawa, 7th July, 1911.

MEMORANDUM:

Mrs. Addie Barber, a Widow, obtained entry for this land on the 13th June, 1910. The cancellation proceedings were instituted on the 21st December, but as the Notices were addressed to Mrs. A. Barker, they were not received by her in view of which her entry was cancelled through default, by the Local Agent on the 21st. February, 1911, on which day the applicant for inspection, D. S. McKay obtained re-entry.

When the foregoing facts were brought to the attention of the Department, a report was called for.

Mrs. Barber has now submitted a defence to the cancellation proceedings, and as she has done nothing whatever in the way of residence, improvements or cultivation, according to her own evidence, she is clearly not entitled to very much consideration, but intimates if her entry is restored that she is prepared to go into residence at once, with the intention of making it her permanent home. In view of the defence, the Local Agent has not instructed the Homestead Inspector to report, and it would seem, in view of the facts now in the possession of the Department, that such Report is not required in dealing with this case.

Referring to Mr. Powell's memorandum, hereunder, I would point out that Mrs. Orser was actually in default when published, and no money has since been remitted to pay and until the contract is good for and in accordance with the regulations I do not see how the Department could be justified in cancelling the existing entry in order to reinstate Mrs. Orser.

Sir:-

ith reference to the application for cancellation which you have filed against the entry for the N. You will, therefore, see that it would be impossible for him to do any breaking during the time he would have been in undisputed possession of the land, and as he is living, as you state, on land owned by him in the vicinity, and has only applied to cancel on the ground that there are no improvements, it is felt that the present entrant has not been allowed six months within which to make improvements, and that an application to cancel this entry cannot at present be entertained. I am forwarding a copy of this letter to the Department in order that if they do not approve of the course I have taken they may be able to notify me to that effect.

Referring to the Statutory Declaration which you executed on the 6th instant, in defence of the cancellation proceedings instituted against your homestead entry for the above described land, I beg to say that in view of the fact that you claim residence on purchased land, namely the East ½ of Section 30, Township 53, Range 26, West of the 4th Meridian, your entry is in serious default, in that you have failed to comply with the cultivation duties.

However, in view of the lateness of the season it has been decided to grant you until the 15th of July next, to restore your entry to good standing in this respect and satisfy the Agent of Dominion Lands at Edmonton accordingly.

Please note that should you fail to do so the entry will be liable to cancellation.

Sir,

I beg to inform you, that an error prejudicial to me of my settler has been committed in the land office at Edmonton Alta. N.W.T.

On the 20th of April, I came to the office to make entry on behalf of P. Riel Esquire of St. Paul de Joliette. I was by a Register of making entry on S.W. quarter section 3 Township 50. Range 25 the Agent entered N.W. quarter section 3 Township 50. Range 25 the heir of the Meridian.

Now Mr Riel refuse to accept that homestead because he want his pre-

on the same section 3 E where he [illegible]
has already a homestead.

I would be very satisfy if you send
instruction to the Agent at Edmonton
to cancel the wrong entry and make
the right one.

I decide that [illegible] you the grant
the way one to be done. He had no
indication of the [illegible]
the right section 3 E
he may claim by mistake on the
fact that a fee paid at Ft. Saskatchewan
to the effect that same day I make
the entry for the [illegible]
for to Fort Saskatchewan.

Mr Boyd sent to me the said receipt
[illegible] with the request to make
her understand that she had no
right to make entry for herself.

I have said to the Office to see Mr Boyd.

Boyd

Royal and I wrote to him several times. I never could see him nor get answer from him

Hoping that you will take this reclamation into consideration and grant me the favor I ask by returning -

Yours truly -

Sir,

I have the honour to acknowledge the receipt of your letter dated the 2nd instant, [illegible], enclosing a copy of a letter dated the 29th ultimo, received from the Natural Issues Farm in regard to Mr. Clark's homestead entry, together with a copy of your reply thereto, and stating the circumstances.

On the 20th of January last the [illegible] called in this office and examined the [illegible] and after [illegible] one [illegible] plainly showing a [illegible] piece of water and which was noted "Water Hole N.W. A few days after Richard Clark called at the office and [illegible] that [illegible] in making his entry for S.W. 11-21, 26 W. of 2nd Mer., was not the S.W. ¼ Section 11, 21-26, but that it was his own mistake. The [illegible] was willing to exchange the land without [illegible] fees when I told him I had no authority to do so, but if the Minister of the Interior would permit it I would be only too glad to

do

do it - He said he would see to it. I dont recollect if I told him that I would write being at the time very busy in the office- Why the Reverend Gentleman now tries to blame me for his own error is certainly as wonderful as without foundation.

2. The Reverend Gentleman being seemingly under the impression that unmarried women might take up Homesteads, had sent that 13 year old spinster to make an entry at the office which I declined to accept later on the Reverend Gentleman asked the reason of my refusal when I informed him that the law would not allow any such entries to be made. I beg to submit that I fail to see any connection between the facts which took place at different times, and without any possible correlation.

3. With regard to the Reverend Gentleman's charge that he "never could see me when he called at the office, and that he never got an answer to his letters", I beg to state that, with due respect to the Reverend Gentleman's assertion, I was always present when he called; although it is quite possible that he may have had to call again when I may have been absent for a short time on business connected with the discharge of my duties-

As to replying to his letters, I also beg to state that I have received from the Reverend Gentleman only one single letter, and this was private and it was to the effect of notifying me that he would be up here on the 1st January, 1912-

I may say to this that Reverend Father Morin's conduct towards me in making such an unfounded and incorrect report is most surprising to me; he should have been

the

the last man to complain of my conduct, as I can say without fear of contradiction that I have in every circumstances done all in my power to help him in the Great work he has in hand-

Hoping this explanation will be found satisfactory by the Department.

Hon. Clifford Sifton,
Minister of the Interior,

Dear Sir,

Enclosed you will find a rough drawing of the Section that I have been settled on since Feb. 1885, and the township was not subdivided until last Oct. and I did not know where I was and it left me with improvements on all 4 quarter of the section and it is in a valley in the hills as Mayor Graidy can inform you and you can see by the drawing that their is not over 75 or 80 acres of tillable land on the hole section as the North side of the creek is high hills and the south side of the road is hills and covered with thick willow and poplar brush so that if I do not get only the 160 acres out of the section it will be no use to me for the valley is narrow and a road out of that it leaves so little tilable land that I cannot grow food enough for my cattle and if it is not asking to much I would like to get the ¼ Section 5,6,7,8,9,10,11 ,12 if I cannot get them I may as well move my family out of this hoping your favourable reply.

I remain yours,
(s'd) Harvey Bruce.

He also stated that if he could get claim or entry for N.E. 6.7.10 + 11. ¼ section 5. 13.29 W.4. he would be satisfied if he could get an entry for a second homestead so as to occupy this ¼ section that would take in his building and water. he being in residence since May 1st 1886. The way this land is situated, I quite agree with Mr Brown that any one ¼ of this section would be of little value for any purpose.

MEMORANDUM.

James A. Smart, Esq.,

D. M. I.

The case of Mr. Harvey Bruce, of Trout Creek, Lyndon P. O., Alberta, was brought to the attention of the Department some time ago by Mr. Oliver, M.P.

It appears that Mr. Bruce settled before survey on S. 12. 29 W.4th M. The Homestead Inspector's report shows that the improvements are located in the middle of the section and occupy the four legal subdivisions in the centre and thereby take in parts of the four different quarter sections. The Inspector was asked to ascertain whether Mr. Bruce could not move his buildings so as to occupy but one quarter section; but Mr. Bruce says it is impossible for him to do so. He will, however, be satisfied if he can take a second homestead, so as to occupy the half section that will take in his buildings and water.

As the Homestead Inspector's report shows that Mr. Bruce has resided on the land from the 1st May, 1888, to April, 1890, and from April, 1891, continuously to the 5th May last, he would appear to be entitled to a second homestead and can probably prove up for patent on both as soon as he gets his entries.

He has made improvements to the value of nearly $500 and the land is of no use for agriculture

Sir,-

- Re S-13-19-4th. -

We have to acknowledge receipt of your favor of the 7th Inst, File 424490 and in reply to say that on looking into Mr. Bruce's claim we find that his improvements are in the centre of the section, some of the buildings being on each quarter, except the S.W.¼., on which there is some fencing. It would appear that Mr. Bruce has some claim to 160 acres and we understand he wants L.S.6, 7, 10 & 11 and would be satisfied with that. Though we do not see how Mr. Bruce can possibly be entitled to a second homestead, still as the balance of the N.I., the whole of which has been selected to us, would be rendered of little value if Mr. Bruce is granted entry for what he wants, we are prepared to release our claim to it provided the Government will give us 320 acres of the even section in exchange.

Department of the Interior,

Sir,

I am directed by the Commissioner to request that you will take an early opportunity of calling upon Mr. Harvey Bruce, who is settled upon Section 5, Township 15, Range 29, West of the 4th Meridian, and ascertain exactly what he has done in the way of residence and cultivation on the land. It is desired to learn whether he has, in sufficient time to satisfy the requirements of the Act in respect of that portion of the Section which is the subject of his Homestead entry, and also whether these duties were completed before the 2nd June, 1889, so that the Minister may be asked to decide whether Mr. Bruce may be granted a Homestead entry for a portion of the remainder of the Quarter Section, including his improvements. It would facilitate the consideration of his case if the evidence were taken on the form of an application for patent, duly corroborated by two witnesses; but you will, of course, point out to Mr. Bruce that the township not having been surveyed the Commissioner has no power to recommend the issue of a patent in his favour. Steps in this direction can only be taken after the completion of the survey.

Dear Sir

in reply to yours of the 25 January I beg to say that the shape that the section that I am settled on is in such a shape that by my getting my two home steads and taking it as it now stands it will not give me more than 95 acres and as I have to keep cattle it is impossible for me to raise sufficient feed to winter them and as you have been fully informed both by myself and the home stead inspecter as to the situation of the section and the

of time that I have been

living on it and as I am
entitled to a second homestead
I beg the privelage to make
my entry on the unsettled land
of township 36 Range 27 west of the 4th
and allowes the same privelage
that I have to section 5 township
13 range 29 west of the 4th
Meridian also to the privelage
to use the old government
farm buildings until such
times as I can erect suitable
buildings to live in on such
land as I may enter as a homestead
hoping to have your favorable
reply as soon as possible as I would
like to get some breaking done
this season before haying I remain
yours faithfully Harvey Bruce

Memorandum.

With reference to your memorandum of the 6th ult., respecting the claim of Harvey Bruce to portions of Sec. 8, 15, 29, W. 4th M., the report of the homestead inspector has now been received, and the following particulars will explain the position of the case.

Mr. Bruce has been in occupation for some years of the centre portion of the section mentioned. His stables are erected on the N.W. ¼, his house appears to be on the S.W. ¼, and the cultivated land on the N.E. ¼. His fence extends along the line between the S. ½ and the N. ½ of the section, and is partly on the S.W. ½ and partly on the S.E. ¼. The attached sketch will show the position of the improvements. Should the evidence show that Mr. Bruce could be considered as entitled to a second homestead entry, I think a simple solution of the matter would be to grant him a homestead entry for the S. ½ of the S. ½ of the section, where his house is erected and where no doubt he has performed his residence, and a second entry for the S. ½ of the N. ½. These two entries would cover all his buildings

Jas. A. Smart, Esq.,

Deputy Minister of the Interior,

Ottawa.

buildings and other improvements. One difficulty appears to be that the section i not yet subdivided but his interest could be protected and the arrangement suggested carried out after the subdivision has been made.

The Inspector reports that as Mr. Bruce is unable to obtain a settlement now, he is desirous of abandoning his claim in section 5 and wishes permission to exercise the privilege of both a first and second homestead right in Tps. 5 or 6, R. 29, W. 4th M., but I do not see that this is practicable.

The buildings referred to in Mr. Bruce's letter of the 22nd April the Inspector states are those connected with the old Indian farm at Pincher Creek in Tp. 6, R. 29, W. 4th M. Possibly if you approve of the above suggestion as to granting Bruce entries in sec. 5, 13, 19, W. 4th M., so soon as the survey is completed, enabling protection his interests, he will be satisfied with this arrangement.

Respectfully submitted,

J. B. Bruce

Sir,

Referring again to your letter of the 22nd April last, I am directed to say that there is no provision whatever in the law by which your request to abandon your present claim to part of sec. 5, Tp. 29, W. 4th M., and to be granted 2 homestead entries in Tps. 5 or 6, Range 29, W. 4th M., could be entertained, as in this event you would only be entitled to exercise your homestead right for one quarter-section of land.

With regard to your claim in sec. 5, you may be granted entry for the N. ½ of the S.E. ¼ and the S. ½ of the N.E. ¼. This would seem from the information furnished to cover the house where you have been living, as well as your cultivated land, and if when you come to make application for patent it is found you are entitled to a second entry, you will be allowed to take up the N. ½ of the S.W. ¼ and the S. ½ of the N.W. ¼ as a second homestead. In this way you will secure the land upon which all your improvements have been made. Although this township has not yet been subdivided, the outlines have been run, and it is probable there will be no

The Secretary of

The Department of the Interior,

understand our client has wired you about this and we also have copies of telegrams that have passed between the Dominion Land Office of this City and your office regarding same. Our client is in a very unfortunate position as he has sold this property and the final payments are now due and the purchasers are demanding Title from him and he is unable to deliver clear title.

We would be glad if you would give this matter your immediate attention and forward us a formal discharge in order that we may register same in Land Titles Office.

Yours truly,

Department of the Interior,

I do not quite understand why I am expected to pay $15.00, for the cancelation of the S.F.t of 24, T. 34, - ?. 2, west of 5th m. I know of several places here that have been canceled here but the cancelation has always been free,if I had have known this at the time I made entry at Innisfail,I could have raised the money but now I cant possible raise it fot 30 or perhaps 60 days . After I made entry at Innisfail I hired a man to break me 6 acres of land at $4.00, per acre ,which he finished just before I r ec'd this letter from you so I am out $24.00, on the plaice already . I thought when I had made entry here that I was alright and any way it was time the plowing was done.. but I was not aware that the cancel ation cost anything ,and if I take the plaice ,I will have Geo. Mc. Calum's & J. P. Leek's seed grain to pay . I do not know whether John Mc. Calum got any grain or not, if he did I suppose I would be held good for all of them as I am personally acquainted with each of them ,the Mc. Sir,

I am directed by the Commissioner of Dominion Lands to say that the matter referred to in your letter of the 17th instant, file 19,910, is not very well understood. It seems that Mr. Whitmore has obtained an entry for the S.E. 1/4 of 24 - 34 - 2, W. of 5. mer. if this is the case, how does the question of fees come up ?

If Mr. Whitmore only paid the ordinary entry fee of $ 10.00 when the entry was made, he will, of course, have to pay the additional sum of $ 5.00 for cancellation.

It is learned that the seed grain indebtedness has been made a charge against the land.

You are authorized to grant Mr. Whitmore an extension of time until, say the 1st of October next, within which to make the required payment. Will you please inform Mr. Whitmore to the above effect.?

Sir,

In reply to yours of the 29th ultimo, reference No 326491 Co:- In order that you should have more fully understood this case, a copy of a letter from this office to Mr Whitmore dated July 7th 1897 should have been forwarded with my letter of 17th ult, which I now enclose.

You will see that Mr Whitmore had simply been asking for information regarding the S.E.1/4 24- 34- 2 W 5th and was surprised that he was required to pay a cancellation fee.

I presume now, from what you say that it would be advisable to say to Mr Whitmore that he might make the entry upon payment of $ 10.- and that he may have until the 1st October next to pay the cancellation fee of $ 5.-

Sir.

As there have been some enquiries made in regard to my son's (Henry Ward Finsen) Homestead and thinking that perhaps some one might apply to have the Entry for the same cancelled & wish to make this statement namely: Henry Ward Finsen made entry for N.W.¼ sec 18 T. 44. R. 22 W. of 4th M. on April 18th 1898. The same year he broke 6 or 7 acres built a house and a chicken house dug a well and hauled timber enough on to the place for a stable. He resided on the place a good part of last summer and fall. About the Middle of Jan. 1899 myself and son (Henry Ward Finsen) went to Fernie B.C. for the purpose of seeking employment and thereby earn a little money but we found however that work was hard to secure and we did but little better than earn our board while there during the winter. On April 2 came home to attend to the work on the farm but by my advise, my son remained there as he wished to earn enough money to buy some sort of a team for himself. It certainly is his intention to keep his Homestead, and I hope that he will have no trouble about it. I remain Sir, very respectfully yours

Fred H. Finsen.

Sir

I duly received your kind favour of May 19 last. The 1/4 Sec to which I have reference is the North East quarter of Sec 16; Township 8; Range 2. West of the 5th Meridian being a 1/4 Sec for which deceased Halvor Olsen made Entry 2½ years ago & put improvements on, but never made application for a Patent so same not took out Naturalization Papers which I believe are necessary before obtaining a Patent, he being a foreigner by birth. He had no relatives in this country as all but has I believe a sister in Sweden; if, in your opinion, the above 1/4 Sec still belongs to the Government and is open to Homestead, I would be ... glad to buy all the improvements on above 1/4 Sec at the valuation placed on them by the Govt Officials and

to do whatever is right in the 2 nds
If above mentioned 1/4 sec is open for
Homestead I would be glad of your
valuable support in the matter, I
presume in the case of it being
thrown open I could pay in the
regular "Entry fee" at Ottawa also
the sum at which improvements
are valued could I not? or would
both be payable at Calgary.
Thanking you for your personal
favours time.

DOMINION ...
JAN 19 1899

Dear Sir

I am requested by my friend Mr Johannes Rungquist to ask some information on his behalf relating to his homestead N.E¼ of 10 - 45 - 22 W of 4th Mer. I will first beg leave to explain that said Rungquist is a Swede and Britisher from the old country (Sweden) now 65 years old. He came here to about 4 years ago and obtained entry for the above mentioned land, his son in law, Mr Alexander P. Cederstaff lives on the N.W.¼ of the same section. The old man who is a good mecanic built himself a little comfortable house on his homestead and have had quit a few acres under cultivation each year. Last spring did the old man get blood poison in one arm so his said son in law and daughter took him to their house and nursed him until he was taken to Calgary General hospital about the 28th of June last and staid there for a few weeks. After his return from the hospital has he been living with his said daughter mostly, because he was not permanently cured from his said illness and is now again confined to bed.

On your letter to said Rungquist of 22 nov. 98 (42473 3) did you inform him that his entry for the said homestead was cancelled in July last; he knew absolutely nothing about that until he received your said letter, he was then in the hospital himself and his son in law, who has patent on his homestead, was in Salt Lake City U.S. where he had business to attend to. He did not think it was any

danger of loosing his homestead when he had the land under cultivation and really had his home there although he was compelled to go to the hospital. Is such proceeding lawfull as Mr. Rungquist is to loose his land under such circumstances? Mr. R. has been continuously working on his said homestead himself since he obtained entry in May 1895. except last summer when he was disable to do so. and got others to do the work for him. He has most decided by cultivated and had possession of the said land since he obtained entry thereof, but what is the definition of continuous residence under this circumstances? He is now an old widower and has found great pleasure in spending his leisure hours, i.e., his meals &c with the family of his son in law who lives just a few rods across the line, and now when he is sick his dear takes care of him in her home because he has small children to take care of also. He has his house furnished &c. but will it still only be counted for residence the nights he has been a-bed by sleeping and he says he has been actually living in his own house. Please explain.

awaiting your esteemed answare by return mail do I remain, Dear Sir,

Yours very Respectfully

Niklon Andreason.

Sir,

I have the honor to acknowledge the receipt of your letter dated the 16th June No 3799 Rup 3594 and in reply state that I inspected the S2¼ 16-39 24 W4th and find, a log house 16×20, Log Stable 15×23 in lieu 10×14 Corral and 11 Acres ploughing worth in all $210 Made by C. Richardson who went into residence on the 6th April last and who has been in residence upon him since time. I also find that Mr J. W. Haynes should be credited with a log shack on the land on the 6th April last. This shack is 12×12 worth $20 and put up 12 Chains of rail fence worth $12.00.

On Oct 1893 Mr. James Wallis broke about one acre of land, & paid it for his father, he having authority to make an entry for him. I enclose herewith affidavits from the parties concerned. Mr Haynes says he will abandon his claim, if he is paid the value of the improvements made by him.

In reply to your letter of the 31st ultimo, No. 3994 on 3994, I am directed to say that upon a careful consideration of the conflicting claims of Messrs C. Chapman and George W. Haynes to the S.E.¼ of Section 15, Township 37, Range 24, W.4th., it would appear that whilst Mr. Chapman is clearly entitled to the preference in obtaining entry for this land, that at the same time he should not be allowed to retain possession of the improvements effected by Mr. Haynes, without making him some compensation therefor.

As, however, this is a matter that the Department is not disposed to interfere in, I would request that you will endeavour to arrange at a local settlement between the two parties.

My dear Mr. Jessup

My nephew, Mr. Herbert Alfred Eddy wants to get a good location. We had selected S.E.¼ Sec. 16, 39, 24. This place had been entered for by Chapman, has been cancelled, and another application is in for it. Now I have reason to believe that the party who has applied for such is not one that my nephew would like to have a chance to enter for it. His money is ready for the improvements &c and he is a bona fide settler.

Sir ,

Referring to your letter of the 22nd instant - 332312 , the point which is submitted in the Nurski case is as to whether , upon the declaration of the widow (apparently the only person having a right to speak in the matter) that the N E ¼ 16 51 23 W 4 M has been unoccupied , and and that the entrant (her husband) has been dead for now nearly two years , the existing entry may be cancelled without awaiting notice (60 days) which could be addressed to the widow herself .

The fact appears to be that the entry is liable to cancellation by theadmission of the only person who - so far as we are aware - has the right to defend it . It seems to me therefore that the applicant for inspection is entitled to the early decision for which he asks , and which is of importance to enable him to proceed with the due cultivation of the place this season .

The present petition from the undersigned Alexis Bernard, a Half-breed who has resided for three years with the exception of one month upon the S.E.¼ of Section 16, Township 48, Range 22, W.4th M.; that he left in June last for Fort McLeod with his family, returning in the end of October.

On my return I found another person upon the place living in one of my houses. I have built upon that land two houses, two stables, and have three acres plowed the total value being $350. I did not think of making entry, believing that it would not be possible for anyone to take it considering the amount of work I ave done. The present occupant has declared that there were no improvements.

Sir,

In reply to your letter of the 18th ultimo, I am directed by the Commissioner to say that the S.W.¼ of Section 16, Township 47, Range 22, W.4th M. has been granted under homestead entry to William Blakely.

It appears from the evidence forwarded to this office that you squatted upon the quarter-section in August, 1883, and remained in occupation until May of last year, when you went with your family to Fort Saskatchewan. Although it seems that while you were in possession you made considerable improvements upon the land you did not obtain an entry, and consequently had no legal claim to it; neither did you inform the Agent or the Department of your claim, and therefore when you left the place the quarter-section was open for entry by anyone who might apply for it.

Mr. William Blakely acquired homestead entry in June, 1886, and he has paid into the hands of the Local Agent the sum of $10, being the valuation placed upon the improvements by Homestead Inspector Coleman in his report dated the 13th February last. The Agent is now being authorized to apply for a refund cheque in your favour for this amount, and the Commissioner trusts that this settlement will be satisfactory to you.

Your obedient servant,

Sir,

I am sending you by this mail copy of a letter which has been addressed to Alexis Bernard, who was a squatter upon the S.E.¼ of Section 16, Township 48, Range 22, W.4th M. The Commissioner hopes that the offer which has been made to him will be satisfactory and that the matter may thus be disposed of. At the same time, it seems advisable that you should communicate with Mr. Blakely, who obtained homestead entry for the quarter-section, and say to him that when my letter of the 8th ultimo was written the matter was not brought to the personal attention of the Commissioner; had it been, possibly some different action might have been taken. It appears to be quite clear that when Mr.Blakely took up the land the facts were not properly represented and ~~fraudulently~~ the improvements upon the land were greatly undervalued by him. These facts would render his entry liable to cancellation but the Commissioner does not feel disposed to take any steps in this direction at present in view of the instructions that have already issued; should, however, Mr. Bernard not be satisfied with the proposed settlement,and be inclined to press his claim, it may be necessary to do so. Of course, as has been explained to Mr.Bernard, he has no legal right, but it is a question whether or not he would not in equity be entitled to consideration. It would be well, therefore, to inform Mr.Blakely how the matter stands.

Sir ,

I beg to say in reply to your letter of the 20th inst , C . O . 379427 , that altho Mr Wm Blakely has paid $56. less than the Inspector's valuation for the improvements on the S E ¼ 18 43 22 W 4 M , he seems to think that he haspaid all that the improvements are worth to him , and prefers to relinquish the land , and to have his money refunded rather than pay any more .

Perhaps , under these circumstances , it might be well to consult Mr Alexis Bernard . It is conceivable that the improvements may so deteriorate - between the relinquishment by Blakely and the sale to the next entrant , as to realise less than the sum now in hand .

Mr Sherwood , late Agent for the Wetaskiwin district , who was in town yesterday , gives me the information herein communicated as to Mr Blakely's intentions . These ' intentions 'were stated to Mr Sherwood by Mr Riquelon , acting for Blakely - who was to have written me in the matter . He may have communicated direct with the Department .

There is no doubt that Blakely was given to understand that the payment which he made would be accepted as a full settlement for the improvements in question.

I am , Sir ,
Yourobedient servant
